## Message of National Director for RSETIs, NACER

There has been a steady growth in the Indian economy for the past many years. Though this growth has brought in development across many sectors, there are many challenges, especially in providing gainful employment to the educated unemployed, school dropouts and illiterates among the Rural unemployed youth. The employment potential in the agricultural sector, which is characterized by disguised employment and under-employment, has reached a point of stagnation.

We are grateful that a well-coordinated professional effort to address this problem was made way back in 1982 by Poojya Dr. D Veerendra Heggade, Dharmadhikari of Dharmasthala in Karnataka in association with Syndicate Bank and Canara Bank to start Rural Development and Self Employment Training Institutes [RUDSETIs] to provide short term training with long term handholding to the unemployed youth.

It is indeed noteworthy that the training methodology and the best practices followed by these RUDSETIs are quite unique and this has resulted in a settlement rate of over 70%. The training methodology and the best practices followed by RUDSET Institutes have been adopted by the Ministry of Rural Development to replicate the same in all the RSETIs. The initiatives of various sponsor Banks in promoting the RSETIs has resulted in functioning of 591 RSETIs/RUDSETIs as on date, providing gainful employment opportunities to many rural unemployed youths.

While the employment opportunity in Government/Public Sector is not increasing much, the growth in employment potential in Private Sector is not keeping pace with the growth in the number of youths seeking employment. With the increasing trend towards consumerism, the opportunities for Self-Employment, particularly in the Services Sector, are increasing by leaps and bounds. But the unemployed youth are not properly oriented towards Self-Employment. Consequently, they are not able to engage themselves in any productive activity and tend to become dejected in life. This is where our RSETIs/RUDSETIs can play a proactive role as Change Agents, orienting the unemployed youth towards entrepreneurship, imparting the required training, and providing escort services to enable them to set up their own ventures.

It is indeed a matter of pride that the RSETIs/RUDSETIs have **cumulatively trained 49.4 lakh** rural unemployed youth of which **35.6 lakh candidates have been settled** up to 31.03.2024 i.e., above **72% settlement**. The **share of women candidates trained comes to above 68%**. **Further, the performance during FY 2023-24 is 4.51 lakh (105% achievement) in training, 3.46 lakh (77%) in settlement, and 2.08 Lakh (61%) in credit Linkage**. Successful entrepreneurs have not only become self-employed but have also provided employment to a number of people in their ventures. It is noteworthy that RSETIs have played a major role in transforming the job seekers into job providers.

I am happy to note that your RSETI is bringing out the **Annual Activity Report for FY 2023-24**. I take this opportunity to extend my **congratulations to the Director and Team members of the RSETI** for their outstanding achievement **in training, settlement, and Credit linkage**. My gratitude to Poojya Dr. D. Veerendra Heggade, President NAR, Sri Karma Zimpa Bhutia, Joint Secretary (Skills), MoRD, Sri Santosh Kumar Tiwari, Director, MoRD, Sri. Hardeep Singh Ahluwalia, Executive Director, Canara Bank, Sri M. Bhaskara Chakravarthy, General Manager, FI Wing, Canara Bank, Nodal Executives of all RSETI sponsor Banks, and the SRLM officials for their support and guidance from time to time.

With full of gratitude to our dynamic leader Shri. K. Satyanarayana Raju, Managing Director & CEO, Canara Bank and Shri. Hardeep Ahluwalia, Executive Director, Canara Bank.

We acknowledge the constant support and guidance of Shri. G. Murugesan, National Director of RUDSETIs, Shri. H. Raghu. Raja, Director General of NAR, National Centre for Excellence of RSETIs (NACER) and the most dynamic, young and energetic Shri. Giridhar Kallapur, Executive Director of RUDSETI who have been constantly encouraging and supporting in our day to day activities in and around the campus.

We also express our gratefulness to Shri. H.T. Baviskar, General Manager, Canara Bank, Shri. P.K. Chanda, AGM, RO Silchar Head for constant guidance and support in this movement. We also thank Dr. Chaitan Kumar, State Controller for RSETIs, NE-Region and Shri. We put forward our sincere thanks to Shri. Debapriya Bardhan, IAS, District Magistrate West Tripura and Chariman of DLRAC, who have constantly supported us in various activities of the RUDSETI movement. In a specially manner we put forward our words of gratitude to the TRLM officials and staffs who had tremendously supported us in mobilizing candidates from the nook and corner far flung of the countryside. It's worth mentioning that without the help of various govt. departments our movement to Self-employment would not have been to this ladder. So a sincere thanks to ARD Department, Agriculture & Horticulture Department, and all the banks who had supported our trainees by funding capital in their business establishment.

The movement have been enhanced by our print media- Tripura Times, Syandhan Patrika, Aiker Foriyad and Electronic media- Doordarshan Kendra Agartala, Khumpui TV, Kok Tripura. At last, we will be failing to achieve the task and duty without acknowledging the hardship toiled who rendered dedication and selflessness by all the young and energetic team of our Institute.

Mr. John Paul Debbarma  
Director, RUDSETI,  
Agartala

## 02. A BRIEF REPORT ON THE INSTITUTE

The Journey of RUDSETI, Agartala started with a small classroom and an office room being provided by the Rural Development Department, Govt. of Tripura on 14<sup>th</sup> September 2011. Since its inauguration, the District Rural Development Agency (DRDA) played a vivacious role in the training of SHG Members. Gradually North East Rural Livelihood Project (NERLP), National Rural Livelihood Mission (NRLM), NABARD, and SIDBI associated programs have been put to place and candidates were collected through Entrepreneurship Awareness Camps at the village and Block levels. RUDSETI has made a tie-up with the social welfare Department, Border Area Development project (BADP), KVIC and has taken on several initiatives for Skill development and Entrepreneurship with its limited infrastructure facilities.

While running training courses RUDSETI follows Common Norms guidelines and maintains the National Skill Qualification Framework (NSQF) and all other prescribed criteria of the Ministry of Rural Development (MoRD), Govt. of India. Since its inception, the institute obtained A, AA, AB and even bagged the "THIRD BEST RUDSETI AWARD" in 2013-14 which is undoubtedly a feather in the Achievement of the Institute. There is a cause-and-effect relationship between performance Parameters and Grading and both measures of scale are intra-connected.

Training and Settlement are two key factors of RUDSETI the model of work that essence the overall grading in a paramount manner and due to it affects grading falls to AC grade in consecutive two years 2017-18 and 2018-19. Again from 2019-20, 2020-21, 2021-22 & 2022-23 the institute was able to hold back 'AA' grading due to a potent rise in follow-up meetings and increasing settlement ratio.

In recent years, the institute conducts ample training capacity building programs for the National Urban Livelihood Mission beneficiaries and successfully imparts training. As a result of increasing rapport, several organizations and schemes are gradually persuading RUDSETI to conduct training with PMKVY, PM- FME schemes etc.

### THE Vision of RUDSETI:-
