## 02. BRIEF REPORT OF THE INSTITUTE

RUDSETI is an earnest initiative made by “Padam-Vibhushan” Dr. D. Veerendra Heggade to mitigate the problem of unemployment. The one leading nationalized bank Canara Bank hands in this noble effort. The collective thinking gave a concrete shape in providing an institutional framework in the form of Rural Development and Self Employment Training Institute, in short RUDSETI which has now a network of 27 branches spread across 17 states of the country. RUDSETI has now become a replicable model and has got its due recognition in the form of Government of India deciding to establish RSETIs in every district of the country.

RUDSET Institute Agra unit was started in October 1997 at Patholi, Fatehpur Sikri Road, Agra in rented premises. This Agra unit has developed its own state-of-art campus of over 30,000 sq. feet at N.H. 2, Tundla Road, Agra. The campus has come-up very elegantly by incurring a cost of more than Rs. 1.20 crores with grant assistance from Govt. of India, Ministry of Rural Development. It was inaugurated on 22nd February 2008 by then Hon'ble Minister of Rural Development, Govt. of India Dr. Raghuvansh Prasad Singh in the gracious presence of Padam bibhushan Dr. D. Veerendra Heggade and other dignitaries. The Institute is catering the training needs of unemployed youth of Agra district.

The Institute has covered a glorious path of 27 years and has shown excellent performance in the field of entrepreneurship development. RUDSETI is playing a pivotal role in identifying and developing hidden traits, talents and strengths of the youth to make them self- reliant and also transform them as good citizens of the country by its interventions.

The serene atmosphere, the selfless service rendered by the past and present Directors and the Staff. The discipline, dedication and commitment towards work is widely appreciated. The Institute has reached the present level in entrepreneurship development due to the unstinted support of the sponsors and committed staff who served the Institute.

The institute has many achievements to its credit. Since inception 672 batches of self employment training and 7 batches of wage employment training were conducted to train 19706 candidates out of which 4362 are SCs/STs, 8653 are BCs, 765 are Minority community members, 5624 Women beneficiaries and 219 physically handicapped persons. Cumulative settlement of candidates stands at 13637 (69.20%).

Over the years, the institute has developed and maintained good infrastructure such as audio visual and teaching aids, library, training equipments, class room furniture, mess facility etc., for making the training successful. The institute is instrumental in developing course modules and course materials for various training programmes, systems and procedures to increase the effectiveness of the training and to ensure better settlement rate. Morning YOGA AND NATUROPATHY classes are being held regularly at the Institute for the benefit of the trainees.

Following Directors and Joint Directors have contributed immensely towards all-round growth and development of this Institute:

## 09. FOLLOW-UP

The post training escort services is the most distinguishing feature of RUDSETI model of training. It gives maximum importance to this function and spares considerable amount of time to follow-up the trainees for a minimum period of two years after the training. Follow-up helps the trainees to sustain motivation level and ground their projects at their earliest. The various modes of follow up are through correspondence, individual contacts, meetings at Branch levels. During the process, the trainees are provided with valuable suggestions with suitable counseling wherever needed. During the year institute has organized **182 FOLLOW-UP MEETS** and **MET 1929 TRAINEES**. Apart from this the Institute also contacted the trainees as per the following mentioned details:-
