Message from Bipul Chandra Saha, National Director for RSETIs

RSETIs and RUDSETIs could resume normal functioning during the Financial Year 2022-23 after facing difficulties of COVID- 19 during two consecutive years 2020-21 & 2021-22. All our RSETIs/RUDSETIs have shown their solidarity towards the objectives of the RSETI movement and performed exceedingly well with regard to the number of candidates trained, settled and Credit linked during FY 2022-23. As on 31.03.2023, there are 590 RSETIs/ RUDSETIs covering 572 Districts, functioning across the country under the aegis of Ministry of Rural Development (I'4oRD), Govt. of India, which are sponsored by 24 Banks. All these RSETIs/ RUDSETIs are providing training to the Rural unemployed youth in 59 NSQF aligned courses and 5 MoRD approved courses. The

performance highlights of the RSETIs during FY 2022-23 are as under:

- As against the Annual Target of 4.04 lakh candidates, RSETIs have totally trained 4.10 lakh candidates (Achievement being 101%^o), of which 3.26 lakh candidates settled (80%) and 1.93 lakh candidates have settled with Credit linkage (60%^a).
- RSETIs are giving priority to mobilize a greater number of rural poor unemployed youth to give training according to their requirement. Thus, out of the total trained, the share of Rural Poor trained is 3.38 lakh (82%^o), of which 2.67 lakh candidates have settled (79%) and 1.75 lakh have settled with Credit Linkage (62%)
- In tune with the objectives of GOI, the RSETIs/RUDSETIs are giving more emphasis for women empowerment. Thus, out of total trained, the share of women candidates trained is 3.32 lakh (81%), of which 2.73 lakh candidates have settled (82%) and 1.75 lakh women candidates settled with credit linkage (65%)

I convey my sincere thanks to the Directors, Faculties and Office Assistants (OAs) of the RSETIs/ RUDSETIs for their relentless support which has made this achievement possible.

Further, we have done a notable improvement in reconciliation and realization of pending claims during the FY 2022-23 and because of the collective efforts of the RSETIs and sponsoring Banks along with the active involvement of the State Directors (SDRs), who have made huge efforts to reconcile the data with the respective Banks and SRLMs. I am pleased to inform you that the MoRD has released Rs. 187.02 Crore to various states during FY 2022-23, towards settlement of the pending claims. This is the first time in the history of the RSETIs that such a big amount is released in a particular Financial Year.

Another important milestone achievement during FY 2022-23 is that the SDRs in coordination with the sponsored Banks and NIRDPR have made major get through in the matter of construction of RSETI buildings. Thus, during the year many RSETIs have shifted to own buildings, in many cases the stopped building construction was resumed, in many cases building construction was commenced, in many cases land has been allocated. I am confident that with the same tempo, the quality of the training will be greatly improved with the shifting of many more RSETIs to own building during the FY 2023-24 also.

We had also worked for improving the Quality of training by conducting ToT programmes in various States for engaging the Domain Skill Trainers (DSTs) so that the shortage of Certified Trainers is fulfilled for ensuring quality training.

The grading and CNN compliance status of RSETIs has been improved gradually and during the year 2021-22, 560 RSETIs have secured AA Grade and 566 RSETIs have complied with CNN. Definitely this credit also goes to the RSETI Directors, Faculties, OAs and SDRs.

I am happy to learn that your RSETI is publishing Annual Activity Report-2022-23. On this occasion, I want to congratulate the Director, Faculties & other staff members and convey my sincere thanks to all for the performance during FY 2022-23. I am confident that your RSETI will excel performance during FY 2023-24 also. I take this opportunity to thank respected Sri Karma Zimpa Bhutia, Hon 'ble Joint Secretary & Sri Santosh Kumar Tiwari, Hon'ble Joint Director, MoRD, GOI, Dr. D. Veerendra Hegde, President NAR, Sri. Hardeep Singh Ahluwalia, Executive Director, Canara Bank, Sri A Murali Krishna, GM, FI Wing, Sri Amitava Sahu, OGM and Team of FI Wing of Canara Bank, HO Bengaluru and Nodal Executives of all RSETI sponsoring Banks for their full support which enabled us to show outstanding performance for the FY 2022-23.

The Ministry of Rural Development under its RSETI scheme has provided a grant of **Rs.1.00 Crore** for construction of the building in the year 2010-11 because of which the new building is existing. The campus enables us to provide
