## A BRIEF REPORT ON THE INSTITUTE

### Background

Millions of unemployed youth particularly from rural and semi-urban background who could not access higher/professional education but oriented towards white-collar jobs are driven to despair for not finding a job. Of late, these distressed youth are attracted towards antisocial activities for their livelihood. This tremendous waste of human resources and mismatch of potentiality with productive deployment has baffled the planners and administrators.

### Genesis

It is under these circumstances that Rural Development & Self Employment Training Institute (RUDSETI), a unique initiative in mitigating the problem of unemployment was started in 1982 by Dr D Veerendra Heggade, a Visionary leader, President of Sri Dharmasthala Manjunatheshwara Educational Trust and Dharmadhikari of Dharmasthala, supported by Syndicate Bank and Canara Bank. The collective thinking gave concrete shape in providing an institutional framework in the form of Rural Development & Self Employment Training Institute (RUDSETI) in 1982.

### Objective

- Identify, orient, motivate, train and assist the rural youth to take up self-employment/wage employment ventures as an alternative career.
- To take up research and development activities in Entrepreneurship and Rural Development etc.

**Training Programmes:** RUDSETI offers more than 60 types of Entrepreneurship Development Programmes (EDPs) in various avenues. All the programmes are of short duration intervention ranging from one to six weeks. Mainly they are classified in to four categories as shown below:

**Selection of candidates for training programmes:** Unemployed youth in the age group of 18-45 years, irrespective of caste, creed, religion, gender and economic status, having aptitude to take up self-employment or wage employment with some basic knowledge in the related field can undergo training which is totally free of cost.

**Follow up Services:** The cutting edge of RUDSETI training is the post training follow up for sustained motivation among the trainees. The effort to make them rise on to pinnacle includes:

- Two years follow up – Through regular correspondences, Individual contacts, Unit visit, Village/Taluk/District/Branch level meeting etc.
- Facilitating credit linkage with the banks for setting up of micro enterprises.

**Marketing Support:** RUDSETI Bazaars are organised to provide marketing support to the RUDSETI trained entrepreneurs. This facilitates the participants to get an insight about market trends and customer behaviour. Each unit organises at least one Bazaar every year during melas, exhibitions, special occasions in their command area.

In total 27 Institutes established across the country, wherein 7 Institutes are in Karantaka State.

Bhagyamma, the proud RUDSETI trained successful entrepreneur who is the owner of Kavva Garments, Challakere. She has given more than 80 employments and making an average monthly turnover of Rs. 10.00 lacs.

It is very inspiring story of Smt. Bhagyamma, who is the 6<sup>th</sup> one daughter to Smt. Sri Mylarappa and Bhemakka couple from Duggavara village, Challakere Taluk. Her father Sri Mylarappa is an agriculturist, who had 20 acres of agricultural land, wherein he was cultivating commercial food crops like Ragi, jowar and other millet crops. The income from the agriculture was good enough to meet the family's livelihood sufficiently. At this time, Smt. Bhagyamma was studying in PUC and while studying she has got married with a Government Servant.

After the marriage, Smt. Bhagyamma developed her interest in tailoring activity instead of sitting idle in the family. So, she started learning tailoring activity on her own, which ultimately leads her to come for training at RUDSETI, Chitradurga within a year.

Apart from Skill training on tailoring, soft skills on Entrepreneurship taught by RUDSETI made Smt. Bhagyamma to establish her tailoring unit within a short span of time soon after the training. Meantime, her husband left the family due to some differences of opinion happened within them. Yet, Smt. Bhagyamma did not close her unit and instead she took a challenge to make her unit bigger one. The continuous efforts

and the dedication put by Smt. Bhagyamma on her tailoring unit, today has become a Kavva Garments by generating 30 regular employees and 40 piece workers. To make her unit bigger one, Smt. Bhagyamma had availed an amount of Rs. 10.00 lakhs loan from Canara Bank, Challakere. On an average, today her monthly turnover is around Rs. 10.00 lacs and it is extremely well settled unit.

Smt. Bhagyamma has a bigger planning to start Branded Garments manufacturing activity very shortly. Our best wishes to Smt. Bhagyamma.
