Message of National Director for RSETIs, NACER

There has been a steady growth in the Indian economy for the past many years. Though this growth has brought in development across many sectors, there are many challenges, especially in providing gainful employment to the educated unemployed, school dropouts and illiterates among the Rural unemployed youth. The employment potential in the agricultural sector, which is characterized by disguised employment and under-employment, has reached a point of stagnation.

We are grateful that a well-coordinated professional effort to address this problem was made way back in 1982 by Poojya Dr. D Veerendra Heggade, Dharmadhikari of Dharmasthala in Karnataka in association with Syndicate Bank and Canara Bank to start Rural Development and Self Employment Training Institutes [RUDSETIs] to provide short term training with long term handholding to the unemployed youth.

It is indeed noteworthy that the training methodology and the best practices followed by these RUDSETIs are quite unique and this has resulted in a settlement rate of over 70%. The training methodology and the best practices followed by RUDSET Institutes have been adopted by the Ministry of Rural Development to replicate the same in all the RSETIs. The initiatives of various sponsor Banks in promoting the RSETIs has resulted in functioning of 591 RSETIs including 27 RUDSETIs as on date, providing gainful employment opportunities to many rural unemployed youths.

While the employment opportunity in Government/Public Sector is not increasing much, the growth in employment potential in Private Sector is not keeping pace with the growth in the number of youths seeking employment. With the increasing trend towards consumerism, the opportunities for Self-Employment, particularly in the Services Sector, are increasing by leaps and bounds. But the unemployed youth are not properly oriented towards Self-Employment. Consequently, they are not able to engage themselves in any productive activity and tend to become dejected in life. This is where our 591 RSETIs including 27 RUDSETIs can play a proactive role as Change Agents, orienting the unemployed youth towards entrepreneurship, imparting the required training, and providing escort services to enable them to set up their own ventures.

It is indeed a matter of pride that the RSETIs/RUDSETIs have **cumulatively trained 49.4 lakh** rural unemployed youth of which **35.6 lakh candidates have been settled** up to 31.03.2024 i.e., above **72% settlement**. The **share of women candidates trained comes to above 68%**. **Further, the performance during FY 2023-24 is 4.51 lakh (105% achievement) in training, 3.46 lakh (77%) in settlement, and 2.08 Lakh (61%) in credit Linkage**. Successful entrepreneurs have not only become self-employed but have also provided employment to a number of people in their ventures. It is noteworthy that RSETIs/RUDSETIs have played a major role in transforming the job seekers into job providers.

I am happy to note that your RUDSETI is bringing out the **Annual Activity Report for FY 2023-24**. I take this opportunity to extend my **congratulations to the Director and Team members of the RUDSETI** for their outstanding achievement **in training, settlement, and Credit linkage**. My gratitude to Poojya Dr. D. Veerendra Heggade, President NAR, Sri Karma Zimpa Bhutia, Joint Secretary (Skills), MoRD, Sri Santosh Kumar Tiwari, Director, MoRD, Sri. Hardeep Singh Ahluwalia, Executive Director, Canara Bank, Sri M. Bhaskara Chakravarthy, General Manager, FI Wing, Canara Bank, and the SRLM officials for their support and guidance from time to time.

National Director for RSETIs

शुभकामना सन्देश

भारत में आज भी 70 प्रतिशत से अधिक जनसंख्या गांव में निवास करती है जिनकी निर्भरता मुख्यतः कृषि पर है। कृषि से आमतौर पर होने वाले आर्थिक लाभ उतने नहीं होते जितनी इस बढ़ती हुई जनसंख्या को आवश्यकता है। बढ़ती हुई जनसंख्या और भूमि का विखंडन ग्रामीणों के आर्थिक उत्थान में एक बाधा सा उत्पन्न करता है, जो ग्रामीणों को अन्य रोज़गार के अवसर तलाश करने की ओर उन्मुख करती है। ऐसे में ग्रामीण युवा स्वरोज़गार के नए अवसरों की तलाश में रहते हैं। स्वरोज़गार के लिए मूल भूत आवश्यकताओं में से एक है कौशल विकास। इन परिस्थितियों में कौशल प्रशिक्षण पाना इन युवाओं के लिए अँधेरे में प्रकाश की तरह है।

रूडसेटी संस्थान सरकार द्वारा किये जाने वाले कौशल प्रशिक्षण के प्रयासों की एक कड़ी है। 1986 से रूडसेटी डासना संस्थान इस क्षेत्र के युवाओं को प्रशिक्षित करने में प्रयासरत है। विगत वित्तीय वर्ष में संस्थान ने विभिन्न क्षेत्रों में 823 प्रशिक्षण दे कर समय से पूर्व अपना लक्ष्य प्राप्त किया।

यहाँ मौजूद संकाय एवं कर्मठ कर्मचारी ने संस्थान की छवि को बनाये रखा है। यहाँ मांग के हिसाब से प्रशिक्षण दिए जाते हैं एवं बहुत अच्छे अनुपात में युवा उद्यमी बन रहे हैं। सरकार की एक पहल को रूडसेटी संस्थान ने इस तरह कार्यान्वित किया है जो, कि यहाँ के ग्रामीण युवाओं के स्वप्नों को पूरा करने की तरह है। यहाँ के समस्त कर्मचारियों को मेरी शुभकामनाएं है, कि वो इसी तरह कौशल प्रशिक्षण जैसे महत्वपूर्ण कार्य को पूरी लगन से करते रहें ताकि इन ग्रामीण इलाकों के साथ साथ समाज का एवं देश का भी भविष्य उज्ज्वल हो। मैं संस्थान के उज्ज्वल भविष्य की कामना करता हूँ।

MESSAGE FROM THE DIRECTOR'S DESK

RUDSETI was established in the year 1986 with the focus on rural development by creating self-employment, empowering rural youth, fostering financial literacy, and supporting entrepreneurship and women empowerment. RUDSETI's comprehensive approach aims to equip rural communities with the technical and entrepreneurial skills needed for sustainable development.

In rural areas, formal employment opportunities are limited, making self-employment a critical pathway to economic stability. RUDSETI plays a vital role in promoting self-employment by providing training and resources that enable individuals to start and sustain their own businesses. This approach helps diversify income sources, reduces economic vulnerability, and fosters a sense of independence and self-reliance among rural populations. Engaging rural youth is crucial for the future of these communities. RUDSETI's programs focus on skill development and vocational training, equipping young people with the technical and entrepreneurial skills needed for employment or self-employment. By providing opportunities for rural youth to thrive locally, RUDSETI helps reduce migration to urban areas and ensures that young talent contributes to the development of their home regions.

Entrepreneurship is a powerful tool for economic development. RUDSETI promotes entrepreneurship by providing training, resources, and support to start and grow a new business. This approach not only creates jobs but also stimulates local economies by encouraging innovation and the creation of new products and services. Entrepreneurs often become role models, inspiring others in the community to pursue their business ventures. By enhancing skills, providing financial services, and supporting leadership development, RUDSETI helps them to gain confidence and take control of their lives. Empowered women contribute to their families' well-being, participate in community decision-making, and advocate for their rights, leading to more equitable and inclusive communities. In this way we play a crucial role in training and Capacity Building of the rural youth. Our programs are designed to enhance the capabilities of rural individuals, enabling them to start and sustain their businesses.

It is an opportunity to get associated with such a pioneer institute, i.e RUDSETI Ghaziabad and work for the rural population especially, the population below poverty line, with a motto to transform a "job seeker" into a "job giver".

I convey my sincere thanks to all staff members of NAR, NACER, Quality and Assessment Vertical, C S Ujire , Canara Bank Regional Office Ghaziabad, Lead District Manager Ghaziabad and Hapur, DDM NABARD Ghaziabad and RUDSETI Ghaziabad, who made it possible to do this noble work in FY 2023-24. I hope in the current financial year also we will put our best efforts in changing future of rural youth, who in turn will change the future of INDIA and society as a whole.

The Sponsor Bank

A good bank is not only the financial heart of the community, but also one with an obligation of helping in every possible manner to improve the economic conditions of the common people

Our Beloved Founder

Late Sri Ammembal Subbarao Pai

Canara Bank was established in 1906 by AmmembalSubbaRaoPai. He established the Canara Bank Hindu Permanent Fund in Mangalore, India, on 1 July 1906 which collected handful of rice from each household, pooled the rice and sold it and used the money earned for the bank's capital. The government nationalized the bank on 19 July, 1969. Canara Bank established its International Division in 1976 and seventh overseas branch in New York, USA on 10 June 2014.

Over the years, the Bank has been scaling up its market position to emerge as a major Financial Conglomerate with as many as ten subsidiaries/sponsored institutions/joint ventures in India and abroad. Not just in commercial banking, the Bank has also carved a distinctive mark, in various corporate social responsibilities, namely, serving national priorities, promoting rural development, enhancing rural self-employment through several training institutes and spearheading financial inclusion objective. Promoting an inclusive growth strategy, which has been formed as the basic plank of national policy agenda today, is in fact deeply rooted in the Banks founding principles. "A good bank is not only the financial heart of the community, but also one with an obligation of helping in every possible manner to improve the economic conditions of the common people". These insightful words of our founder continue to resonate even today in serving the society with a purpose. The growth story of Canara Bank in its first century was due, among others, to the continued patronage of its valued customers, stakeholders, committed staff and uncanny leadership ability demonstrated by its leaders at the helm of affairs. We strongly believe that the next century is going to be equally rewarding and eventful not only in service of the nation but also in helping the Bank emerge as a "Preferred Bank" by pursuing global benchmarks in profitability, operational efficiency, asset quality, risk management and expanding the global reach.

Visit of Executive Director

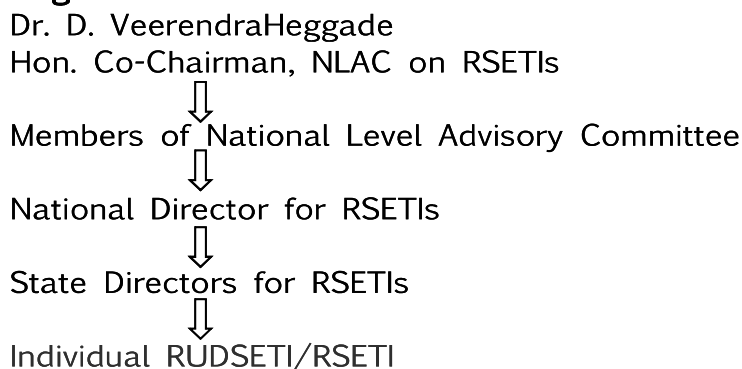

National Centre of Excellence for RSETIs- NACER

The concept of RSETIs has been inspired by the very successful RUDSETI model promoted by SDME Trust, SyndicateBank and Canara Bank way back in 1982 at Ujire in Karnataka. The RUDSETI has trained over 4.5 lakhs unemployed youth in various activities across the country through its 27 Institutes.

Effective intervention and supportive role played by MoRD through NACER

- Monitoring and mentoring the RSETIs, which includes close coordination and effective liaison with all the stakeholders viz., Banks, Sponsor Institutions, SRLMs and RSETIs
- Identify gaps in the functioning of RSETIs in areas such as Training, Settlement, infrastructure, administration etc and guide them.
- Through the network of 22 State Directors for RSETIs (one for a cluster of 25-30 RSETIs), extend ground level support and guidance to RSETIs.
- Organizing Annual conclave of Directors of RSETIs sponsored by various Banks, which is attended by top management of Banks and MoRD.
- Conclave gives an opportunity for thorough review of performance with SWOT analysis and creates greater awareness about crucial role Institute can play in shaping the future of trainees by helping them to stand on their own legs.

Organisational Structure of NACER

National Academy of RUDSETI- A benchmark in Capacity building Training for Trainers

Background: National Academy of RUDSETI was established in April 2009 in response to an emerging need for capacity building and mentoring RUDSET Institute and Rural Self Employment Training Institutes being established by different Banks across the country.

Genesis: Emergence of Rural Self Employment Training Institutes (RSETIs) across the country by different Banks, called for a credible and capable Institution to support the scaling-up process. Hence, the original promoters of the RUDSET Institute proactively decided to set up an apex resource organization to facilitate the growth of RSETIs across the country.

Vision: To usher in a wave of self-employment and entrepreneurship among the rural youth of the country through RUDSETI/RSETI model in a vibrant and continuously innovating organizational set up.

Mission: Build the capabilities of RSETIs and mentor these organizations to develop into vibrant Institutions of excellence and act as a catalyst for economic and social transformation of rural India.

MoU with Ministry of Rural Development(MoRD)for Capacity Building of RSETIs

Ministry of Rural Development, Govt. of India, after realizing the impact of RUDSETI Training in creation of sustainable livelihood through self employment in Rural areas, took an initiative to replicate and upscale the model and advised all the Banks to establish RSETIs across the country on the model of RUDSET Institute. However, it was felt that the Training programmes and management of the RSETIs were also not up to the standard of RUDSET Institute and there was no uniformity in Training and administrative practices in RSETIs established by different Banks.

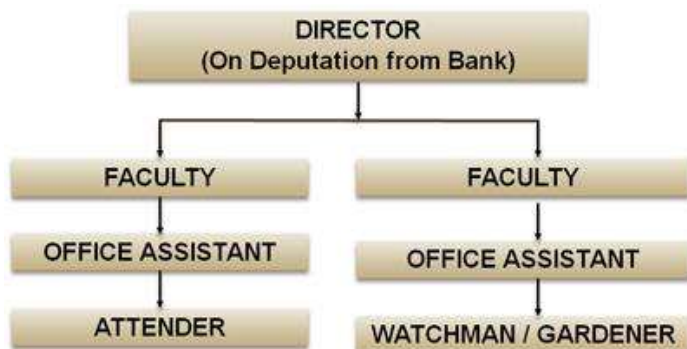

As a result, the desired outcome and benefits of the initiative was not felt. In the above backdrop, Ministry of Rural Development, Govt. of India, approached the President and Management of RUDSET Institute and sought assistance to strengthen the RSETIs and to establish them as model institutes functioning on the lines of RUDSET Institute. It was also desired that some special intervention is required to ensure uniformity in Training and standardized administration in all the RSETIs and also to imbibe the values, culture and ethos of RUDSETI. Hence, a comprehensive package was developed for capacity building and mentoring of RSETIs and an MOU was entered into between the Ministry and National Academy of RUDSETI on 29 July 2011. The above MoU was renewed on 10.07.2014 with effect from 1.08.2014 for a period of one year to begin with and extendable by another two years subject to satisfactory performance.

At RUDSETI, the all the training programmes are under the guidelines of Common Norms (NSQF) issued by the Ministry of Skill Development, Government of India.
