Message from Sh. Bipul Chandra Saha, National Director for RSETIs

RSETIs and RUDSETIs could resume normal functioning during the Financial Year 2022-23 after facing difficulties of COVID-19 during two consecutive years 2020-21 & 2021-22. All our RSETIs/RUDSETIs have shown their solidarity towards the objectives of the RSETI movement and performed exceedingly well with regard to the number of candidates trained, settled and Credit linked during FY 2022-23. As on 31.03.2023, there are 590 RSETIs/RUDSETIs covering 572 Districts, functioning across the country under the aegis of Ministry of Rural Development (MoRD), Govt. of India, which are sponsored by 24 Banks. All these RSETIs/RUDSETIs are providing training to the Rural unemployed youth in 59 NSQF aligned courses and 5 MoRD approved courses. The performance highlights of the RSETIs during FY 2022-23 are as under:

As against the Annual Target of 4.04 lakh candidates, RSETIs have totally trained 4.10 lakh candidates (Achievement being 101%), of which 3.26 lakh candidates settled (80%) and 1.93 lakh candidates have settled with Credit linkage (60%). RSETIs are giving priority to mobilize a greater number of rural poor unemployed youth to give training according to their requirement. Thus, out of the total trained, the share of Rural Poor trained is 3.38 lakh (82%), of which 2.67 lakh candidates have settled (79%) and 1.75 lakh have settled with Credit Linkage (62%). In tune with the objectives of GOI, the RSETIs/RUDSETIs are giving more emphasis for women empowerment. Thus, out of total trained, the share of women candidates trained is 3.32 lakh (81%), of which 2.73 lakh candidates have settled (82%) and 1.75 lakh women candidates settled with credit linkage (65%).

I convey my sincere thanks to the Directors, Faculties and Office Assistants (OAs) of the RSETIs/ RUDSETIs for their relentless support which has made this achievement possible.

Further, we have done a notable improvement in reconciliation and realization of pending claims during the FY 2022-23 and because of the collective efforts of the RSETIs and sponsoring Banks along with the active involvement of the State Directors (SDRs), who have made huge efforts to reconcile the data with the respective Banks and SRLMs. I am pleased to inform you that the MoRD has released Rs. 187.02 Crore to various states during FY 2022-23, towards settlement of the pending claims. This is the first time in the history of the RSETIs that such a big amount is released in a particular Financial Year.

Another important milestone achievement during FY 2022-23 is that the SDRs in coordination with the sponsored Banks and NIRDPR have made major get through in the matter of construction of RSETI buildings. Thus, during the year many RSETIs have shifted to own buildings, in many cases the stopped building construction was resumed, in many cases building construction was commenced, in many cases land has been allocated. I am confident that with the same tempo, the quality of the training will be greatly improved with the shifting of many more RSETIs to own building during the FY 2023-24 also.

We had also worked for improving the Quality of training by conducting ToT programmes in various States for engaging the Domain Skill Trainers (DSTs) so that the shortage of Certified Trainers is fulfilled for ensuring quality training.

The grading and CNN compliance status of RSETIs has been improved gradually and during the year 2021-22, 560 RSETIs have secured AA Grade and 566 RSETIs have complied with CNN. Definitely this credit also goes to the RSETI Directors, Faculties, OAs and SDRs.

I am happy to learn that your RSETI is publishing Annual Activity Report-2022-23. On this occasion, I want to congratulate the Director, Faculties & other staff members and convey my sincere thanks to all for the performance during FY 2022-23. I am confident that your RSETI will excel performance during FY 2023-24 also.

I take this opportunity to thank respected Sri Karma Zimpa Bhutia, Hon'ble Joint Secretary & Sri Santosh Kumar Tiwari, Hon'ble Joint Director, MoRD, GOI, Dr. D. Veerendra Heggade, President NAR, Sri. Hardeep Singh Ahluwalia, Executive Director, Canara Bank, Sri A Muralikrishna, GM, FI Wing, Sri Amitava Sahu, DGM and Team of FI Wing of Canara Bank, HO Bengaluru and Nodal Executives of all RSETI sponsoring Banks for their full support which enabled us to show outstanding performance for the FY 2022-23.

Wishing you all the best

With best regards,

Bipul Chandra Saha
National Director for RSETIs
National Centre for Excellence of RSETIs (NACER)
Under the aegis of Ministry of Rural Development, Govt. of India

Message from Sh. Charanjit Singh State Director Punjab for RSETIs

I am happy to note that your RSETIs/RUDSETI going to bring out Annual Activity Report for the FY 2022-23 as per the usual tradition. As I had mentioned in my previous year's message that there is lack of awareness among the common masses in general and rural people in particular about various Governmental welfare schemes and the skill development training programs being offered by our 590 RSETIs across Pan India basis. Under these circumstances, it is our bounden duty to enlighten the people about various welfare schemes of Government of India and State Government and various training courses being offered by our RSETIs during the course of conducting EAPs in the villages

from time to time.

During my regular quarterly visits and surprise visits to RSETIs/RUDSETI, I had interacted with Directors, Faculties, DSTs, Trainees, Settled candidates & trainees in-progress, & Sarpanchas of villages, it has been found that the same kind of traditional training courses are being conducted at almost all 17 RSETIs/RUDSETIs thereby leading to less than expected Settlement Rate and Bank Credit Linkages. Under these circumstances, I expect that the Director and Faculty Members should ponder over it and explore the possibility of introducing newer programs which are contemporary in nature. This move shall not only increase the level of Settlement Rate but also help in improving the Bank Credit Linkages.

Another disquieting feature I had observed that banks, by and large, are not coming forward to extend loans to trainees from our RSETIs/RUDSETI. Therefore, I request the Top Management of the Sponsored Banks to take a call on this vital aspect and create awareness among the field functionaries that loan applications of trainees from RSETIs/RUDSETI be given priority and be disposed of within the stipulated time as per extant guidelines of RBI. Here I would like to add that Certificates to the trainees from RSETIs/RUDSETIs are given after thorough scrutiny through Tests and Interview. Further, on our part, when the loan application is submitted to RSETI, I shall expect from the Directors and Faculty Members to share the responsibility and be in constant touch with LDM and Branch Managers so as to ensure that our trainees get their loan disbursed within the stipulated time as prescribed by RBI.

On the Assessment & Certification part, during FY 2022-23, in totality, 98.9% of the trainees have successfully passed their assessment. Segment-wise analysis reveals that 98.8% of the trainees have passed their assessment among the rural poor segment while under non-rural poor section; the success ratio was at 99.4%. I am quite confident, during the FY 2023-24 with the introduction of newer ready to earn training courses coupled with rigorous selection of candidates with right attitude & aptitude shall further improve the pass percentage going forward.

At this moment, I along with all my colleagues of RSETIs/RUDSETIs Family Punjab State sincerely thank & express deep sense of gratitude to respected National Director Shri Bipul Chandra Saha Sir & his entire Team at NACER, Bengaluru, Shri R R Singh National Controller A&C Sir and his entire Team NAR, Bengaluru, Shri H Raghu Raj DG, NAR Sir & his entire Team at NAR Bengaluru for their valuable and timely guidance & support. My close association with Shri Rajat Otreja Ji State Controller A& C has really helped us in smooth conduct & assessment of training programs, for which I along with all my colleagues of RSETI Family Punjab profusely thank him. I would also like to thank Principal Finance Secretary, Institutional Finance, Govt. of Punjab, Secretary, Institutional Finance, Govt. of Punjab, Regional Director, RBI Chandigarh, CGM, NABARD Chandigarh, JDC, Rural Development, SRLM, Punjab, Top Management & Nodal Executives of SBI, PNB, PSB, Canara Bank & UCO bank, Convener, SLBC Punjab, Senior Functionaries of District Administration, AGM, FIDD, RBI Chandigarh, AGM, NABARD, SPM, LDMs, DPM, DIC, KVIC, KVIB & other stakeholders for their timely guidance, support & whole-hearted cooperation.

Before I conclude, for the FY 2023-24, I would expect from all my colleagues to include a couple of new training programs contemporary in nature besides vigorous follow-up with LDM and Branch Managers for timely disbursement of loans to our trainees, thereby ensuring significant improvement in Bank Credit Linkages & Settlement Rate.

Wishing you all the best and a fruitful & purposeful FY 2023-24.

Wish

(Charanjit Singh)
