ACTIVITIES REPORT 2022 - 23

Message from Bipul Chandra Saha, National Director for RSETIs

RSETIs and RUDSETIs could resume normal functioning during the Financial Year 2022-23 after facing difficulties of COVID-19 during two consecutive years 2020-21 & 2021-22. All our RSETIs/RUDSETIs have shown their solidarity towards the objectives of the RSETI movement and performed exceedingly well with regard to the number of candidates trained, settled and Credit linked during FY 2022-23. As on 31.03.2023, there are 590 RSETIs/ RUDSETIs covering 572 Districts, functioning across the country under the aegis of Ministry of Rural Development (MoRD), Govt. of India, which are sponsored by 24 Banks. All these RSETIs/ RUDSETIs are providing training to the Rural unemployed youth in 59 NSQF aligned courses and 5 MoRD approved courses. The performance highlights of the RSETIs during FY 2022-23 are as under:

- As against the Annual Target of 4.04 lakh candidates, RSETIs have totally trained 4.10 lakh candidates (Achievement being 101%), of which 3.26 lakh candidates settled (80%) and 1.93 lakh candidates have settled with Credit linkage (60%).
- RSETIs are giving priority to mobilize a greater number of rural poor unemployed youth to give training according to their requirement. Thus, out of the total trained, the share of Rural Poor trained is 3.38 lakh (82%), of which 2.67 lakh candidates have settled (79%) and 1.75 lakh have settled with Credit Linkage (62%).
- In tune with the objectives of GOI, the RSETIs/RUDSETIs are giving more emphasis for women empowerment. Thus, out of total trained, the share of women candidates trained is 3.32 lakh (81%), of which 2.73 lakh candidates have settled (82%) and 1.75 lakh women candidates settled with credit linkage (65%).

I convey my sincere thanks to the Directors, Faculties and Office Assistants (OAs) of the RSETIs/ RUDSETIs for their relentless support which has made this achievement possible.

Further, we have done a notable improvement in reconciliation and realization of pending claims during the FY 2022-23 and because of the collective efforts of the RSETIs and sponsoring Banks along with the active involvement of the State Directors (SDRs), who have made huge efforts to reconcile the data with the respective Banks and SRLMs. I am pleased to inform you that the MoRD has released Rs.187.02 Crore to various states during FY 2022-23, towards settlement of the pending claims. This is the first time in the history of the RSETIs that such a big amount is released in a particular Financial Year.

Another important milestone achievement during FY 2022-23 is that the SDRs in coordination with the sponsored Banks and NIRDPR have made major get through in the matter of construction of RSETI buildings. Thus, during the year many RSETIs have shifted to own buildings, in many cases the stopped building construction was resumed, in many cases building construction was commenced, in many cases land has been allocated. I am confident that with the same tempo, the quality of the training will be greatly improved with the shifting of many more RSETIs to own building during the FY 2023-24 also.

We had also worked for improving the Quality of training by conducting ToT programmes in various States for engaging the Domain Skill Trainers (DSTs) so that the shortage of Certified Trainers is fulfilled for ensuring quality training.

The grading and CNN compliance status of RSETIs has been improved gradually and during the year 2021-22, 560 RSETIs have secured AA Grade and 566 RSETIs have complied with CNN. Definitely this credit also goes to the RSETI Directors, Faculties, OAs and SDRs.

ACTIVITIES REPORT 2022 - 23

I am happy to learn that your RSETI is publishing Annual Activity Report-2022-23. On this occasion, I want to congratulate the Director, Faculties & other staff members and convey my sincere thanks to all for the performance during FY 2022-23. I am confident that your RSETI will excel performance during FY 2023-24 also.

I take this opportunity to thank respected Sri Karma Zimpa Bhutia, Hon'ble Joint Secretary & Sri Santosh Kumar Tiwari, Hon'ble Joint Director, MoRD, GOI, Dr. D. Veerendra Heggade, President NAR, Sri. Hardeep Singh Ahluwalia, Executive Director, Canara Bank, Sri A Muralikrishna, GM, FI Wing, Sri Amitava Sahu, DGM and Team of FI Wing of Canara Bank, HO Bengaluru and Nodal Executives of all RSETI sponsoring Banks for their full support which enabled us to show outstanding performance for the FY 2022-23.

PREFACE

As enshrined in our Constitution and directive principles of the state policy, our country has been following a welfare state policy since 1947. Over the years, with the main objective of alleviation of rural poverty, country has launched number of flagship programmes. Though the fact remains that our country is developing economy much more required to be accomplished to generate more employment opportunities enabling large number of people to take part in the growth benefits and involve in the growth process.

In our country labour force is expected to grow around 2% a year over the next few years. Sustainable solution for alleviation of rural poverty is to provide employment avenues that will increase productivity leading better-quality life through economic self-sufficiency.

On this backdrop, in 1982 Dr. D. Virendra Heggade, a visionary, established Rural Development and Self Employment Training Institute at Ujire in Udupi district of Karnataka. Success of the RUSSET Institute initiative proved motivating force resulting in establishments of more than 27 RUDSETIs in 17 states. Our Talegaon Dabhade institute is one among these RUDSETIs, which commence training activities in the year 1998-99. Since then, Talegaon Dabhade institute has trained youths for gainful employment in different types of self-employment training courses.

During year under report our institute has been successful in organizing few innovative training programmes to suit the changing demography of the society. Our main thrust was on training rural poor youth, more particularly women section of the society imparting training to women beneficiaries through programmes. In the process, we also went too far-flung areas of the western ghat region to train youths from tribal communities.

We continuously look forward to suggestions from NAR, Central Secretariat and sponsor bank executives for unabated improvements in our activities.
