Message of National Director for RSETIs, NACER

There has been a steady growth in the Indian economy for the past many years. Though this growth has brought in development across many sectors, there are many challenges, especially in providing gainful employment to the educated unemployed, school dropouts and illiterates among the Rural unemployed youth. The employment potential in the agricultural sector, which is characterized by disguised employment and under-employment, has reached a point of stagnation. We are grateful that a well-coordinated professional effort to address this problem was made way back in 1982 by Poojya Dr. D. Veerendra Heggade, Dharmadhikari of Dharmasthala in Karnataka in association with Syndicate Bank and Canara Bank to start Rural Development and Self Employment Training Institutes [RUDSETIs] to provide short term training with long term handholding to the unemployed youth.

It is indeed noteworthy that the training methodology and the best practices followed by these RUDSETIs are quite unique and this has resulted in a settlement rate of over 70%. The training methodology and the best practices followed by RUDSET Institutes have been adopted by the Ministry of Rural Development to replicate the same in all the RSETIs. The initiatives of various sponsor Banks in promoting the RSETIs has resulted in functioning of 591 RSETIs including 27 RUDSETIs as on date, providing gainful employment opportunities to many rural unemployed youths. While the employment opportunity in Government/Public Sector is not increasing much, the growth in employment potential in Private Sector is not keeping pace with the growth in the number of youths seeking employment. With the increasing trend towards consumerism, the opportunities for Self-Employment, particularly in the Services Sector, are increasing by leaps and bounds. But the unemployed youth are not properly oriented towards Self-Employment. Consequently, they are not able to engage themselves in any productive activity and tend to become dejected in life. This is where our 591 RSETIs including 27 RUDSETIs can play a proactive role as Change Agents, orienting the unemployed youth towards entrepreneurship, imparting the required training, and providing escort services to enable them to set up their own ventures.

It is indeed a matter of pride that the RSETIs/RUDSETIs have **cumulatively trained 49.4 lakh** rural unemployed youth of which **35.6 lakh candidates have been settled** up to 31.03.2024 i.e., above **72% settlement. The share of women candidates trained comes to above 68%. Further, the performance during FY 2023-24 is 4.51 lakh (105% achievement) in training, 3.46 lakh (77%) in settlement, and 2.08 Lakh (61%) in credit Linkage.** Successful entrepreneurs have not only become self-employed but have also provided employment to a number of people in their ventures. It is noteworthy that RSETIs/RUDSETIs have played a major role in transforming the job seekers into job providers.

I am happy to note that your RUDSETI is bringing out the **Annual Activity Report for FY 2023-24**. I take this opportunity to extend my **congratulations to the Director and Team members of the RUDSETI** for their outstanding achievement **in training, settlement, and Credit linkage**. My gratitude to Poojya Dr. D. Veerendra Heggade, President NAR, Sri Karma Zimpa Bhutia, Joint Secretary (Skills), MoRD, Sri Santosh Kumar Tiwari, Director, MoRD, Sri. Hardeep Singh Ahluwalia, Executive Director, Canara Bank, Sri M. Bhaskara Chakravarthy, General Manager, FI Wing, Canara Bank, and the SRLM officials for their support and guidance from time to time.
