Message from Sri Prakash Pradhan, Regional Head, Canara Bank, RO I, Bhubaneswar

I am extremely delighted and glad that RUDEST Institute is going to publish its 23rd Activities report for the FY 2021-22. The accomplishment of the institute to mitigate the problem of unemployment and poverty eradication among rural youth is really a commendable achievement.

I am very much happy to acknowledge that the institute has done a tremendous job by conducting 21 batches of entrepreneurship development programme and imparted training to 627 unemployed rural youth which is well above the target allotted by MoRD.

I appreciate the efforts of the institute that as much as 519 trained candidates have established their own enterprise and now become self reliant with the support of various banks along with their own initiatives. It is also very good to note that the settlement percentage of the institute is 82.77% during the year which is really a commendable achievement.

I sincerely commend the efforts of the Director and the entire team of Institute for their painstaking efforts for their accomplishment and my best wishes to the entire team in their future endeavor and hope the institute brings more accolade in the upcoming years.

Message from Bipul Chandra Saha, National Director for RSETIs

The Financial Year (FY) 2021-22 has also seen the third wave of COVID 19 challenge. Many of our RSETIs were not able to function in a regular manner during the first quarter of the Financial Year 2021-22. Inspite of the great challenge imposed by the COVID 19 / Omicron threat all our RSETIs/ RUDSETIs have shown their solidarity towards the objective of RSETIs and perform exceedingly well with regard to number of candidates trained and settled. As on 31.03.2022 there are 589 RSETIs / RUDSETIs (4 new RSETIs are added) covering 571 Districts are functioning across the Country under the aegis of Ministry of Rural Development, Govt. of India which are sponsored by 24 Banks. All these RSETIs/ RUDSETIs are providing training to the Rural Poor on 59 NSQF aligned courses and 5 MoRD approved courses. As against the annual revised Target of 3.01 lakhs candidates RSETIs have trained 3.14 lakhs candidates (Achievement being 104%). Out of the above total number of Rural Poor trained is 2.82 lakhs (90%). Out of total rural poor trained 2.20 lakhs have settled (78%) and out of the rural poor settled total 1.25 Lakhs have been credit linked (59%). I convey my sincere thanks to the Directors of RSETIs and Faculties and Office Assistants (OAs) for their relentless support which has made this achievement possible.

Further, we have done a notable improvement in reconciliation and realization of pending claims during the FY 2021-22 because of collective efforts of RSETIs and RSETI sponsoring Banks along with the deep involvement of State Directors (SDRs) who have made huge efforts to reconcile the data with SRLMs and subsequent release of Funds. In the coming days we propose to maintain the year wise position of Claims submitted, Claims rejected, Claims received and pending position in excel sheet on monthly basis at RSETIs to enable us to smoothening the claim settlement process.

We had also worked for improving the Quality of training by conducting ToT programmes in various States for engaging the Domain Skill Trainers (DSTs) so that the shortage of Certified Trainers is fulfilled for ensuring quality training. In this regard, I must acknowledge the huge contribution of State Controllers of RSETIs (SCRs) and SDRs for conducting the ToT programmes in their respective States. In coming days we also propose to conduct such programmes in many states to fill the gap of certified trainers in various sectors. In this regard, we wish to highlight that there was a substantial improvement in Grading and CNN compliance position of RSETIs/ RUDSETIs in comparison to previous years. There are 541 AA Graded RSETIs and 537 CNN complied RSETIs. Definitely this credit also goes to the RSETI Directors, Faculties, OAs and SDRs.

I am happy to learn that your RSETI is going to publish Annual Activity Report for the FY 2021-22. On this occasion I want to congratulate the Director, Faculties & other staff members and convey my sincere thanks to all your Staff for your performance during the FY 2021-22. I am confident that your RSETI will excel in the FY 2022-23 under various performance parameters including Credit Linkage and Settlement.

Simultaneously, I take this opportunity to thank respected Sri AmitKataria, IAS, Joint Secretary and Sri Virendra Sharma, Director, Ministry of Rural Development, Dr. D. Veerendra Heggade, President NAR, Ms. A Manimekhlai, Executive Director, Canara Bank, Sri A Muralikrishna, GM, FI Wing, Sri AmitavaSahu, DGM and Team of FI Wing of Canara Bank, HO Bengaluru and Nodal Executives of all RSETI sponsoring Banks for their full support which has enabled us to show outstanding performance for the FY 2021-22.

At the end I advise all RSETIs/ RUDSETIs to conduct training programmes back to back without giving even a single day gap to ensure maximum number of candidates trained with regular attendance through AEBAS and also to ensure vigorous follow-up for improving the Credit Linkage and Settlement in the FY 2022-23.

With best regards,

Bipul Chandra Saha

Message from Sri Bhaskar Chandra Khanda, State Director for RSETIs

The RSETI family is doing noble work for the Society. In a country like ours where 64 % population is young and within the age group of 18 to 45 years of age, it is immensely rich in comparison to the population of the other countries in the world.

However, there exists the malady of unemployment. It is needless to mention that we have to show this young generation the right path and the opportunity for them to be self employed. Among these 64 % of youth population, rural unemployed youth constitute a major chunk.

Our 589 RSETIs across the country are engaged themselves in imparting training to these rural unemployed youths, out of which in our Odisha State 30 RSETIs are functioning in 30 districts. These RSETIs are sponsored by the lead Banks of the concerned districts and are working under the Aegis of MoRD (Ministry of Rural Development) At the National level NACER (National Centre for Excellence of RSETIs) and NAR (National Academy of RUDSETI) are monitoring the functioning of the RSETIs.

At present our National Director of RSETIs Sri Bipul Chandra Saha Sir , National Controller of RSETIs Sri R. R. Singh Sir, Director of NAR Sri N. Sathiyamoorthy Sir are giving constant support and guidance for the effective functioning of the RSETIs in our State. Besides our NAR and NACER team is also providing constant inspiration and guidance. State Controller of RSETIs Sri Surya Prasad Mishra has also played a very supportive and effective role for the performance of RSETIs in our State. State Rural Livelihood Mission of Odisha is also giving constant support for the RSETI movement in Odisha. Our team Odisha is thankful to respected Dr. D. Veerendra Heggade, President, NAR for his motivation and inspiration for the upliftment of the downtrodden.

RUDSETI Bhubaneswar has also achieved the revised training target 627 for the FY March 2022 for the allotted target of 600, which is 105%. Similarly settlement is 87% and credit linkage is 83% for RUDSETI during the FY 2021-22.

I express my sincere gratitude for the whole hearted support given by each member, Office Assistant, Faculty, Director and other supportive Staffs.

The family of RSETI is doing a very noble job. We team RSETI Odisha consider this as an opportunity that has been bestowed on us by the Almighty. With this spirit, all our RSETIs in Odisha will work relentlessly to achieve the allotted targets in the coming FY 2022 - 23, there by contributing to the National objectives of setting up of the RSETI.

Hoping all the best.
