**01 ACKNOWLEDGEMENT**

Lakhs of youth are entering the job market every year in this country but are unable to find suitable employment. Non-availability of adequate employment opportunities in the organized & unorganized sectors is one of the serious challenges the country is facing. In such a scenario, the need for promoting self employment for the unemployed rural youth, particularly those below the poverty line, and periodic skill up gradation to keep them abreast of latest technologies, need not be overstated. Once trained appropriately, the youth will launch profitable micro-enterprises and enhance their own standards of living and thereby contribute to the overall national economy. Entrepreneurship Development is a continuous and challenging process and is directly associated with the economic development of the country. The pioneering efforts of RUDSETI in the field of Entrepreneurship Development, launched in 1982, under the visionary and able leadership of Padmavibhushan **Dr. D. Veerendra Heggade**, jointly with Syndicate Bank and Canara Bank have provided an institutional framework for Entrepreneurship Development. It is indeed heartening to reminisce on the significant journey of RUDSETI Brahmapur on completing 32 Years. We are proud to present the Activities Report of the Institute as on 31st March 2021

The Institute conducts Entrepreneurship Awareness Programmes (EAPs) regularly to orient the youth towards the self employment ventures. The guidance provided in these camps generates enough interest among the participating youth to go for self employment. The motivated youth enroll for various training programmes according to their areas of interest. Many colleges and schools, voluntary organizations and branches of the sponsor Banks, SKDRDP are closely associating in successful conduct of these programmes. Institute has conducted **60** such camps during the year at various places. These EAPs have benefited **5293** unemployed youth & villagers and helped in generating applications. Apart from sponsor Banks, other voluntary organizations, ITI Colleges, DIC, Zilla Panchayath Udupi, SKDRDP, ASARE, MSW Students of various Colleges have extended support and helped in conducting such EAPs

09. FOLLOW-UP

The escort services provided to trained youth is the salient feature of RUDSETI. Two years close monitoring of the trained candidates helps them to overcome the initial teething problems. During the year, the Institute has conducted Village, Taluk and Institute level meets involving Banks and government departments apart from unit visits to redress the field level problems of entrepreneurs. Candidates were contacted on the spot or the Branch level meetings. Stress has been given to the spot visit and individual meets. Besides contacting the candidates, the follow up system also helps to assess the impact of the training programmes. It helps us to fine-tune the future programmes, based on the views & feedback received from the trainees. During the present year the Institute has reached out to **1131** trained candidates through **117** follow up meets.
