A BRIEF REPORT ON THE INSTITUTE

Background

Millions of unemployed youth particularly from rural and semi-urban background who could not access higher/professional education but oriented towards white-collar jobs are driven to despair for not finding a job. Of late, these distressed youth are attracted towards antisocial activities for their livelihood. This tremendous waste of human resources and mismatch of potentiality with productive deployment has baffled the planners and administrators.

Genesis

It is under these circumstances that Rural Development & Self Employment Training Institute (RUDSETI), a unique initiative in mitigating the problem of unemployment was started in 1982 by Dr D Veerendra Heggade, a Visionary leader, President of Sri Dharmasthala Manjunatheshwara Educational Trust and Dharmadhikari of Dharmasthala, supported by Canara Bank. The collective thinking gave concrete shape in providing an institutional framework in the form of Rural Development & Self Employment Training Institute (RUDSETI) in 1982.

Objective

- Identify, orient, motivate, train and assist the rural youth to take up self-employment/wage employment ventures as an alternative career.
- To take up research and development activities in Entrepreneurship and Rural Development etc.

Training Programmes: RUDSETI offers more than 60 types of Entrepreneurship Development Programmes (EDPs) in various avenues. All the programmes are of short duration intervention ranging from one to six weeks. Mainly they are classified in to four categories as shown below:

*Follow up Services: **The cutting edge of RUDSETI training is the post training follow up for sustained motivation among the trainees. The effort to make them rise on to pinnacle includes:***

- Two years follow up – Through regular correspondences, Individual contacts, Unit visit, Village/Taluk/District/Branch level meeting etc.
- Facilitating credit linkage with the banks for setting up of micro enterprises.

*Marketing Support: **RUDSETI Bazaars are organised to provide marketing support to the RUDSETI trained entrepreneurs. This facilitates the participants to get an insight about market trends and customer behaviour. Each unit organises at least one Bazaar every year during melas, exhibitions, special occasions in their command area.***

Entrepreneurship Awareness Programme (EAP's)

Entrepreneurial education is vital to understand and incorporate the basic skills needed to start and operate a business. Entrepreneurship Awareness Camps are usually meant for unemployed youth and aspiring entrepreneurs to help them understand how to take up a self-employment activity. The main goal of this Entrepreneurship Awareness Camp (EAC) is to sensitize rural unemployed youth and aspiring entrepreneurs about availability of skill-oriented training programs at the Institute.

RUDSETI, Chitradurga has been organising such kind of Entrepreneurship Awareness programmes at village level, Colleges and SHGs by involving local NGOs, Colleges and Government Departments.

During 2022-23, the Institute has conducted **146** numbers of Entrepreneurship Awareness Programme, wherein **7255** unemployed youth including SHG members have participated in the programme.

Training undergone: Food Processing & REDP

On 8th March 2023, on the occasion of Internal Women's Day RUDSETI, Chitradurga has felicitated Smt Pushpa Kamath, our proud trainee as a Nari Puraskar Award for the year 2022-23. Spoke on the occasion, Smt Pushpa Kamatha expressed her happiness to receive such kind of recognition by the RUDSETI and said that this recognition makes her to shoulder the higher responsibilities in her life.

Smt Pushpa Kamath basically hails from middle class family. Her husband Sri Thimmareddy was running a small hotel in Davanagere district. The hotel business was not in good condition. So, Smt Pushpa Kamath thought to do something on her own to make earn some money for betterment of the family's livelihood. Little knowledge about food processing activity made her to come for food processing training at RUDSETI. In the training, Smt Pushpa Kamath was fully involved to learn all the aspects of food processing activity. I was thinking that RUDSETI may give only skill training, what we opted for. But in the training was very luck to learn about

Entepreneurial aspects, that boosted my enthusiasm to take up the activity independently soon after completion of the training” She briefs about that how she came to RUDSETI for the training.

“The training at RUDSETI was boosted my energy level to immediate actions to establish my own venture at Davanagere. But little while, I was forced to close the business and shifted to Bangalore due to my personal problems. But I could not sit idle in the family without having an activity. I remembered EDP classes imparted during the course of training and ultimately, I selected to do Paying Guest activity as it had a vast scope nearby electronic city and surrounding areas. Today, I am running 3 PG hostels in the name of Rajatadri PG at Bangalore and making a monthly net income of Rs. 2.00 lacs. It is because of the motivation I had taken at RUDSETI. Those who expects success in their any activity, they should undergo EDP training at RUDSETI”. Smt Pushpa Kamath tells with gratitude.
