RUDSETI Team

Message from Bipul Chandra Saha, National Director for RSETIs

The Financial Year (FY) 2021-22 has also seen the third wave of COVID 19 challenge. Many of our RSETIs were not able to function in a regular manner during the first quarter of the Financial Year 2021-22. In spite of the great challenge imposed by the COVID 19 / Omicron threat all our RSETIs/ RUDSETIs have shown their solidarity towards the objective of RSETIs and perform exceedingly well with regard to number of candidates trained and settled. As on 31.03.2022 there are 589 RSETIs / RUDSETIs (4 new RSETIs are added) covering 571 Districts are functioning across the Country under the aegis of Ministry of Rural Development, Govt. of India which are sponsored by 24 Banks. All these RSETIs/ RUDSETIs are providing training to the Rural Poor on 59 NSQF aligned courses and 5 MoRD approved courses. As against the annual revised Target of 3.01 lakhs candidates RSETIs have trained 3.14 lakhs candidates (Achievement being 104%). Out of the above total number of Rural Poor trained is 2.82 lakhs (90%). Out of total rural poor trained 2.20 lakhs have settled (78%) and out of the rural poor settled total 1.25 Lakhs have been credit linked (59%). I convey my sincere thanks to the Directors of RSETIs and Faculties and Office Assistants (OAs) for their relentless support which has made this achievement possible.

Further, we have done a notable improvement in reconciliation and realization of pending claims during the FY 2021-22 because of collective efforts of RSETIs and RSETI sponsoring Banks along with the deep involvement of State Directors (SDRs) who have made huge efforts to reconcile the data with SRLMs and subsequent release of Funds. In the coming days we propose to maintain the year wise position of Claims submitted, Claims rejected, Claims received and pending position in excel sheet on monthly basis at RSETIs to enable us to smoothening the claim settlement process.

We had also worked for improving the Quality of training by conducting ToT programmes in various States for engaging the Domain Skill Trainers (DSTs) so that the shortage of Certified Trainers is fulfilled for ensuring quality training. In this regard, I must acknowledge the huge contribution of State Controllers of RSETIs (SCRs) and SDRs for conducting the ToT programmes in their respective States. In coming days we also propose to conduct such programmes in many states to fill the gap of certified trainers in various sectors. In this regard, we wish to highlight that there was a substantial improvement in Grading and CNN compliance position of RSETIs/ RUDSETIs in comparison to previous years. There are 541 AA Graded RSETIs and 537 CNN complied RSETIs. Definitely this credit also goes to the RSETI Directors, Faculties, OAs and SDRs.

I am happy to learn that your RSETI is going to publish Annual Activity Report for the FY 2021-22. On this occasion I want to congratulate the Director, Faculties & other staff members and convey my sincere thanks to all your Staff for your performance during the FY 2021-22. I am confident that your RSETI will excel in the FY 2022-23 under various performance parameters including Credit Linkage and Settlement.

Simultaneously, I take this opportunity to thank respected Sri Amit Kataria, IAS, Joint Secretary and Sri Virendra Sharma, Director, Ministry of Rural Development, Dr. D. Veerendra Heggade, President NAR, Ms. A Manimekhlai, Executive Director, Canara Bank, Sri A Muralikrishna, GM , FI Wing, Sri Amitava Sahu, DGM and Team of FI Wing of Canara Bank, HO Bengaluru and Nodal Executives of all RSETI sponsoring Banks for their full support which has enabled us to show outstanding performance for the FY 2021-22.

At the end I advise all RSETIs/ RUDSETIs to conduct training programmes back to back without giving even a single day gap to ensure maximum number of candidates trained with regular attendance through AEBAS and also to ensure vigorous follow-up for improving the Credit Linkage and Settlement in the FY 2022-23.

Wishing you all the best

With best regards,

Bipul Chandra Saha

शुभकामना सन्देश

हमारे देश के ग्रामीण क्षेत्रों में भूमिहीन, मजदूरों, अशिक्षित एवम् शिक्षित ग्रामीण बेरोजगार युवाओं की संख्या 40 प्रतिशत से अधिक है। जबकि आज ग्रामीण क्षेत्र की महिलाओं एवम् युवतियों में रोजगार करने की प्रबल इच्छा एवम् सम्भावनायें हैं। अर्थव्यवस्था में सुधार एवम् जीवन स्तर को उठाने के उद्देश्य से भारत सरकार ने बेरोजगारों को कौशल युक्त स्वरोजगार देने का बीड़ा उठाया है। मुझे यह बताते हुए अत्यंत हर्ष की अनुभूति हो रही है कि इस कार्य को सुचारू रूप से चलाने के लिये भारत सरकार, ग्रामीण विकास मंत्रालय की एक पहल आरसेटी है। जिसके द्वारा प्रत्येक जिले में ग्रामीण युवाओं के विकास तथा उन्हें स्व नियोजित उद्यमी बनाने हेतु उनके कौशल विकास एवं क्षमता निर्माण के लिए प्रशिक्षण प्रदान करने हेतु समर्पित आधारभूत संरचना उपलब्ध कराई गयी है।

इसी क्रम में देखा जाये तो **रूडसेट संस्थान, डासना, गाजियाबाद** में ग्रामीण क्षेत्रों में न सिर्फ रोजगार के अवसर पैदा किये हैं बल्कि युवाओं में खुद पर भरोसे की नींव भी डाली है। इसके पीछे यहाँ काम कर रही योग्य फैकल्टी एवम् कर्मठ स्टाफ के प्रयास हैं। आज के समय में **रूडसेट संस्थान, डासना, गाजियाबाद**

जिले का जाना-पहचाना नाम बन चुका है। यहाँ पर केवल रोजगार ही नहीं बल्कि प्रशिक्षणार्थियों को प्रेरणादायक सत्र, सफल उद्यमी व्यक्ति के साथ बातचीत, योगा, श्रमदान, एवम् नरम कौशल के माध्यम से तराशने का काम भी किया जाता है।

इस पावन अवसर पर मैं संस्थान के निदेशक एवं स्टाफ सदस्यों को हार्दिक बधाई देता हूँ तथा संस्थान के उज्ज्वल भविष्य की कामना करता हूँ।

MESSAGE FROM DIRECTOR DESK

The entrepreneur is the star these days. Gone are the days when students would work hard to secure a decent job. Many youngsters are now starting their own business, even if it means risking all their savings and putting in endless hours of hard work to make their idea click. Today, the youth is looking to do something beyond the 9-5 job and build their own empire. Also, our education system, which got us ready for jobs until a few years ago, is encouraging students to look for innovative ideas for a startup. Add to this the easy access of information available on the internet. All these factors have contributed to several youngsters willing to take the risk of starting a company.” Interestingly, the two lockdowns helped many people who had a business idea, but did not have the time to work on it.

Entrepreneurship training institutes like RSETI/ RUDSETI are playing an instrumental role in shaping up the entrepreneurial future of India. We provide skill training to aspiring entrepreneurs, groom them for the entrepreneurial world, and prepare them for the challenges they may encounter as new-age businesspersons

In current scenario we need to work on social entrepreneurship and innovative entrepreneurship as it has vast scope and also have potential to develop the society. We are happy to share that as part of social entrepreneurship we have given training to NRLM SHG for stitching a reusable Sanitary Pads (NIRA) with the help of district authorities Ghaziabad which is distributed to workers, slums and street women etc to free of cost. RUDSETI- A Journey the roots, the idea, the concept and the remarkable vision of Parampujya Padmavibhushan Dr. D. Veerendra Heggade

The root idea of RUDSETI, the Rural Development and Self Employment Training Institutes, was laid through the concept of dharma at Dharmasthala. The word "Dharma" traditionally means religion, ritual, duty, righteousness, and alms. It also implies justice, truthfulness, and freedom from fear, faith, solace, fulfillment and peace.

Dharmasthala is the perfect embodiment of the word "Dharma" for it displays every shade of meaning with which this word is inspired from. The greatness of Dharmasthala, however is the fact that it has added an active element to "Dharma", which touches the lives of people with a transformational directness that is unique.

Today when riots and bloodsheds have become a regular affair in the name of religion, caste and creed; Dharmasthala stands out as a perfect example for unity and religious tolerance. The temple has become synonymous with the very word Dharmasthala, where only dharma persists. It is a place famous for charity very piously rendered devoid of any kind of discrimination. Hindus, Jains, Christians and Muslims too visit this temple to offer their prayers and ask for their wishes to be granted.

The Daanas at Dharmasthala

To those that come in need, Dharmasthala is an Oasis, where succour, solace and hope abound in the serenity of the temple and in the free hostels that provide food and shelter. The old scriptures profess a humanitarian outlook and recommend that if a person ever happens to earn more than his requirements, he must give away his money in Dana (charities). The best forms of charities prescribed by ancient religion are the following four:

- i) Anna Dana - giving food to the hungry and poor;
- ii) Vidya Dana - Spreading knowledge.
- iii) Aushadha Dana - distribution of medicines;
- iv) Abhaya Dana - Saving the lives of living beings in danger

These charities are called the 'Chaturvidha Dana' - the fourfold gifts by the Dharmadhikari to the needy, irrespective of caste and creed.

Anna dānā

The average flow of pilgrims is about 10,000 people per day. Every one of the thousands of pilgrims who daily visit Shri Kshetra Dharmasthala is an honored guest irrespective of caste, creed, culture or status. The "Anna Daana"(free food) is one of the impressive events that takes place in this village. Free food is provided to devotees and the temple has modern machinery and makes quality food continuously throughout the day. The dining hall is known as "Annapoorna".

Vidya dānā

The SDME trust, Shri Kshetra Dharmasthala Manjunatheshwara Education Trust, is a co-sponsor to the RUDSETI model, and currently aids 27 RUDSETI Units across the country.

Shri Kshetra Dharmasthala by the SDME Trust Manages more than 25 institutions ranging from primary schools, Gurukula to teach yoga, Sanskrit, and professional courses in Engineering, Medicine, and Dental Sciences in Dharmasthala, Ujire, Mangalore, Udupi, Dharwad, Hassan, Mysore and other places of Karnataka state.

The Siddavana gurukula started by the Late Manjappa Heggade has become a model educational institution. Over 250 students are provided free lodging and boarding and learn yoga, Sanskrit in addition to basic school curriculum. The specialty of this institution is its endeavor to teach values based on Indian Culture.

Aushada dānā

In the field of health care, the medical trust also provides services to eradicate and prevent many diseases in local villages. The mobile hospital is fully equipped to deal with emergencies and to provide medical treatment to the rural folk in remote parts of the Malnad area. A modern tuberculosis sanatorium was built by Dharmasthala Manjunatheswara Medical Trust to give relief to the patients of tuberculosis. It has since been converted into a general hospital. The Ayurvedic Hospitals at Udupi and Hassan provide Ayurvedic medicines as per the ancient text. The Nature Cure Hospital, built on the banks of the Netravathi River, uses a system based on the five elements of Air, Earth, Ether, Water and Light. SDM Eye Hospital at Mangalore is a modern scientific eye treatment centre. The SDM Dental Hospital serves regular dental needs and provides specialised treatments such as oral implants, surgery for cleft lip and other orthodontic surgeries. Shri Heggade has been actively involved in propagating the practice of Yoga, the ancient system of fitness. Surya Namaskara Camps are regularly organised where Yoga is taught. Further 250 high school teachers are trained in Yoga every year.

Abhay dānā

It is the commitment to save the lives of all living beings in danger; doing so vanquishes the miseries related to the other world. It relates to the fact that an individual be so empowered that he has no fear.

The Sponsor Bank

"A good bank is not only the financial heart of the community, but also one with an obligation of helping in every possible manner to improve the economic conditions of the common people"

Our Beloved Founder

Late Sri Ammembal Subbarao Pai

Canara Bank was established in 1906 by Ammembai Subba Rao Pai. He established the Canara Bank Hindu Permanent Fund in Mangalore, India, on 1 July 1906 which collected handful of rice from each household, pooled the rice and sold it and used the money earned for the bank's capital. The government nationalized the bank on 19 July, 1969. Canara Bank established its International Division in 1976 and seventh overseas branch in New York, USA on 10 June 2014.

Over the years, the Bank has been scaling up its market position to emerge as a major Financial Conglomerate with as many as ten subsidiaries/sponsored institutions/joint ventures in India and abroad. Not just in commercial banking, the Bank has also carved a distinctive mark, in various corporate social responsibilities, namely, serving national priorities, promoting rural development, enhancing rural self-employment through several training institutes and spearheading financial inclusion objective. Promoting an inclusive growth strategy, which has been formed as the basic plank of national policy agenda today, is in fact deeply rooted in the Bank's founding principles. "A good bank is not only the financial heart of the community, but also one with an obligation of helping in every possible manner to improve the economic conditions of the common people". These insightful words of our founder continue to resonate even today in serving the society with a purpose. The growth story of Canara Bank in its first century was due, among others, to the continued patronage of its valued customers, stakeholders, committed staff and uncanny leadership ability demonstrated by its leaders at the helm of affairs. We strongly believe that the next century is going to be equally rewarding and eventful not only in service of the nation but also in helping the Bank emerge as a "Preferred Bank" by pursuing global benchmarks in profitability, operational efficiency, asset quality, risk management and expanding the global reach.

National Centre of Excellence for Rsetis - NACER

The concept of RSETIs has been inspired by the very successful RUDSETI model promoted by SDME Trust, Syndicate Bank and Canara Bank way back in 1982 at Ujire in Karnataka. The RUDSETI has trained over 4.5 lakhs unemployed youth in various activities across the country through its 27 Institutes.

Effective intervention and supportive role played by MoRD through NACER

- Monitoring and mentoring the RSETIs, which includes close coordination and effective liaison with all the stakeholders viz., Banks, Sponsor Institutions, SRLMs and RSETIs
- Identify gaps in the functioning of RSETIs in areas such as Training, Settlement, infrastructure, administration etc and guide them.
- Through the network of 22 State Directors for RSETIs (one for a cluster of 25-30 RSETIs), extend ground level support and guidance to RSETIs.
- Organizing Annual conclave of Directors of RSETIs sponsored by various Banks, which is attended by top management of Banks and MoRD.
- Conclave gives an opportunity for thorough review of performance with SWOT analysis and creates greater awareness about crucial role Institute can play in shaping the future of trainees by helping them to stand on their own legs.

National Academy of RUDSETI - A benchmark in Capacity building Training for Trainers

Background: National Academy of RUDSETI was established in April 2009 in response to an emerging need for capacity building and mentoring RUDSET Institute and Rural Self Employment Training Institutes being established by different Banks across the country.

Genesis: Emergence of Rural Self Employment Training Institutes (RSETIs) across the country by different Banks, called for a credible and capable Institution to support the scaling-up process. Hence, the original promoters of the RUDSET Institute proactively decided to set up an apex resource organization to facilitate the growth of RSETIs across the country.

Vision: To usher in a wave of self-employment and entrepreneurship among the rural youth of the country through RUDSETI/RSETI model in a vibrant and continuously innovating organizational set up.

Mission: Build the capabilities of RSETIs and mentor these organizations to develop into vibrant Institutions of excellence and act as a catalyst for economic and social transformation of rural India.

MoU with Ministry of Rural Development(MoRD)for Capacity Building of RSETIs

Ministry of Rural Development, Govt. of India, after realizing the impact of RUDSETI Training in creation of sustainable livelihood through self employment in Rural areas, took an initiative to replicate and upscale the model and advised all the Banks to establish RSETIs across the country on the model of RUDSET Institute. However, it was felt that the Training programmes and management of the RSETIs were also not up to the standard of RUDSET Institute and there was no uniformity in Training and administrative practices in RSETIs established by different Banks.

As a result, the desired outcome and benefits of the initiative was not felt. In the above backdrop, Ministry of Rural Development, Govt. of India, approached the President and Management of RUDSET Institute and sought assistance to strengthen the RSETIs and to establish them as model institutes functioning on the lines of RUDSET Institute. It was also desired that some special intervention is required to ensure uniformity in Training and standardized administration in all the RSETIs and also to imbibe the values, culture and ethos of RUDSETI. Hence, a comprehensive package was developed for capacity building and mentoring of RSETIs and an MOU was entered into between the Ministry and National Academy of RUDSETI on 29 July 2011. The above MoU was renewed on 10.07.2014 with effect from 1.08.2014 for a period of one year to begin with and extendable by another two years subject to satisfactory performance.
