**RUDSETI TEAM**

**Message from Bipul Chandra Saha, National Director for RSETIs**

RSETIs and RUDSETIs could resume normal functioning during the Financial Year 2022-23 after facing difficulties of COVID-19 during two consecutive years 2020-21 & 2021-22. All our RSETIs/RUDSETIs have shown their solidarity towards the objectives of the RSETI movement and performed exceedingly well with regard to the number of candidates trained, settled and Credit linked during FY 2022-23. As on 31.03.2023, there are 590 RSETIs/ RUDSETIs covering 572 Districts, functioning across the country under the aegis of Ministry of Rural Development (MoRD), Govt. of India, which are sponsored by 24 Banks. All these RSETIs/ RUDSETIs are providing training to the Rural unemployed youth in 59 NSQF aligned courses and 5 MoRD approved courses. The performance highlights of the RSETIs during FY 2022-23 are as under:

- As against the Annual Target of 4.04 lakh candidates, RSETIs have totally trained 4.10 lakh candidates (Achievement being 101%), of which 3.26 lakh candidates settled (80%) and 1.93 lakh candidates have settled with Credit linkage (60%).
- RSETIs are giving priority to mobilize a greater number of rural poor unemployed youth to give training according to their requirement. Thus, out of the total trained, the share of Rural Poor trained is 3.38 lakh (82%), of which 2.67 lakh candidates have settled (79%) and 1.75 lakh have settled with Credit Linkage (62%)
- In tune with the objectives of GOI, the RSETIs/RUDSETIs are giving more emphasis for women empowerment. Thus, out of total trained, the share of women candidates trained is 3.32 lakh (81%), of which 2.73 lakh candidates have settled (82%) and 1.75 lakh women candidates settled with credit linkage (65%)

I convey my sincere thanks to the Directors, Faculties and Office Assistants (OAs) of the RSETIs/ RUDSETIs for their relentless support which has made this achievement possible.

Further, we have done a notable improvement in reconciliation and realization of pending claims during the FY 2022-23 and because of the collective efforts of the RSETIs and sponsoring Banks along with the active involvement of the State Directors (SDRs), who have made huge efforts to reconcile the data with the respective Banks and SRLMs. I am pleased to inform you that the MoRD has released Rs.187.02 Crore to various states during FY 2022-23, towards settlement of the pending claims. This is the first time in the history of the RSETIs that such a big amount is released in a particular Financial Year.

Another important milestone achievement during FY 2022-23 is that the SDRs in coordination with the sponsored Banks and NIRDPR have made major get through in the matter of construction of RSETI buildings. Thus, during the year many RSETIs have shifted to own buildings, in many cases the stopped building construction was resumed, in many cases building construction was commenced, in many cases land has been allocated. I am confident that with the same tempo, the quality of the training will be greatly improved with the shifting of many more RSETIs to own building during the FY 2023-24 also.

We had also worked for improving the Quality of training by conducting ToT programmes in various States for engaging the Domain Skill Trainers (DSTs) so that the shortage of Certified Trainers is fulfilled for ensuring quality training.

The grading and CNN compliance status of RSETIs has been improved gradually and during the year 2021-22, 560 RSETIs have secured AA Grade and 566 RSETIs have complied with CNN. Definitely this credit also goes to the RSETI Directors, Faculties, OAs and SDRs.

I am happy to learn that your RSETI is publishing Annual Activity Report-2022-23. On this occasion, I want to congratulate the Director, Faculties & other staff members and convey my sincere thanks to all for the performance during FY 2022-23. I am confident that your RSETI will excel performance during FY 2023-24 also.

I take this opportunity to thank respected Sri Karma Zimpa Bhutia, Hon'ble Joint Secretary & Sri Santosh Kumar Tiwari, Hon'ble Joint Director, MoRD, GOI, Dr. D. Veerendra Heggade, President NAR, Sri. Hardeep Singh Ahluwalia, Executive Director, Canara Bank, Sri A Muralikrishna, GM, FI Wing, Sri Amitava Sahu, DGM and Team of FI Wing of Canara Bank, HO Bengaluru and Nodal Executives of all RSETI sponsoring Banks for their full support which enabled us to show outstanding performance for the FY 2022-23.

**Wishing you all the best**

## शुभकामना सन्देश

हमारे देश के ग्रामीण क्षेत्रों में भूमिहीन, मजदूरो, अशिक्षित एवम् शिक्षित ग्रामीण बेरोजगार युवाओं की संख्या 40 प्रतिशत से अधिक है। जबकि आज ग्रामीण क्षेत्र की महिलाओं में रोजगार करने की प्रबल इच्छा एवम् सम्भावनायें हैं। अर्थव्यवस्था में सुधार एवम् जीवन स्तर को उठाने के उद्देश्य से भारत सरकार ने बेरोजगारों को कौशल युक्त स्वरोजगार देने का बीड़ा उठाया है। मुझे यह बताते हुए अत्यंत हर्ष की अनुभूति हो रही है कि इस कार्य को सुचारु रूप से चलाने के लिए भारत सरकार, विकास मंत्रालय की एक पहल आरसेटी है। जिसके द्वारा प्रत्येक जिले में ग्रामीण युवाओं के विकास तथा उन्हें स्व नियोजित उद्यमी बनाने हेतु उनके कौशल विकास एवं क्षमता निर्माण के लिए प्रशिक्षण प्रदान करने हेतु समर्पित आधारभूत संरचना उपलब्ध कराई गयी है।

इसी क्रम में देखा जाये तो रूडसेट संस्थान, डासना, गाजियाबाद में ग्रामीण क्षेत्रों में न सिर्फ रोजगार के अवसर पैदा किये हैं बल्कि युवाओं में खुद पर भरोसे की नींव भी डाली है। इसके पीछे यहाँ कर रहे योग्य फैकल्टी एवम् कर्मठ स्टाफ के प्रयास हैं। आज के समय में रूडसेट संस्थान, डासना, गाजियाबाद जिले का जाना-पहचाना नाम बन चुका है। यहाँ पर केवल रोजगार ही नहीं बल्कि प्रशिक्षणार्थियों को प्रेरणादायक सत्र, सफल उद्यमी व्यक्ति के साथ बातचीत, योगा, श्रमदान, एवम् नरम कौशल के माध्यम से तराशने का काम भी किया जाता है।

इस अवसर पर मैं रूडसेट संस्थान, डासना, गाजियाबाद को विशेष रूप से बधाई देना चाहूंगा, चूंकि उन्होंने वित्तीय वर्ष 2022-23 में अपने सभी लक्ष्य न केवल प्राप्त किया है, बल्कि अच्छे मार्जिन से पार किया। इस उपलब्धि का कारण सभी सदस्यों का एक संगठित टीम की तरह पूरा लगन से काम करना है। मैं संस्थान के उज्ज्वल भविष्य की कामना करता हूँ।

**MESSAGE FROM THE DIRECTOR'S DESK**

MSMEs are the backbone of the Indian economy. MSMEs employ about 12 crore people, making them the second-largest source of jobs after agriculture. It contributes about 6.11% of GDP from manufacturing and 24.63% of GDP from service activities, with about 45 lakh units across the country. As India strives to become a \$5 trillion economy, the MSME ministry aims to raise its contribution to GDP by up to 50% by 2025. They account for approximately 45% of India's total exports. MSMEs encourage creativity by assisting aspiring entrepreneurs in developing innovative goods, thereby increasing market competitiveness and fueling growth. MSMEs are widely regarded as a source of economic growth and a way of achieving more equitable development. They are recognized for having the highest rate of economic growth. MSMEs have propelled India to new heights due to their low investment requirements, flexibility in operations, and ability to develop suitable native technology.

MSMEs promote inclusive growth by creating job opportunities, especially for people from lower socioeconomic backgrounds in rural areas. MSMEs in tier-2 and tier-3 cities contribute to the creation of opportunities for people to use banking services and goods, which can result in the final accounting of MSMEs' contribution to the economy.

The role of RUDSETI/RSETI is to create entrepreneurship awareness among the rural unemployed youth and analyze their felt and unfelt needs, followed by their self employment training. This self employment training is followed by hand holding till the entrepreneur gets settled down with a minimum income for his livelihood.

It is an opportunity to get associated with such a pioneer institute, i.e. RUDSETI Ghaziabad and work for the rural population especially, the population below poverty line, with a motto to transform a "job seeker" into a "job giver".

I convey my sincere thanks to all staff members of NAR, NACER, Quality and Assessment Vertical, C S Ujire and RUDSETI Ghaziabad, who made it possible to do this noble work in FY 2022-23. I hope in the current financial year also we will put our best efforts in changing future of rural youth, who in turn will change the future of INDIA and society as a whole.

### **RUDSETI- A Journey the roots, the idea, the concept and the remarkable vision of ParampujyaPadmavibhushan Dr. D. VeerendraHeggade**

The root idea of RUDSETI, the Rural Development and Self Employment Training Institutes, was laid through the concept of dharma at Dharmasthala. The word "Dharma" traditionally means religion, ritual, duty, righteousness, and alms. It also implies justice, truthfulness, and freedom from fear, faith, solace, fulfillment and peace.

Dharmasthala is the perfect embodiment of the word "Dharma" for it displays every shade of meaning with which this word is inspired from. The greatness of Dharmasthala, however is the fact that it has added an active element to "Dharma", which touches the lives of people with a transformational directness that is unique.

Today when riots and bloodsheds have become a regular affair in the name of religion, caste and creed; Dharmasthala stands out as a perfect example for unity and religious tolerance. The temple has become synonymous with the very word Dharmasthala, where only dharma persists. It is a place famous for charity very piously rendered devoid of any kind of discrimination. Hindus, Jains, Christians and Muslims too visit this temple to offer their prayers and ask for their wishes to be granted.

#### **The Daanas at Dharmasthala**

To those that come in need, Dharmasthala is an Oasis, where succour, solace and hope abound in the serenity of the temple and in the free hostels that provide food and shelter. The old scriptures profess a humanitarian outlook and recommend that if a person ever happens to earn more than his requirements, he must give away his money in Dana (charities). The best forms of charities prescribed by ancient religion are the following four:

- i) Anna Dana - giving food to the hungry and poor;
- ii) Vidya Dana - Spreading knowledge.
- iii) Aushadha Dana - distribution of medicines;
- iv) Abhaya Dana - Saving the lives of living beings in danger

These charities are called the 'Chaturvidha Dana' - the four-fold gifts by the Dharmadhikari to the needy, irrespective of caste and creed.

#### **Anna dānā**

The average flow of pilgrims is about 10,000 people per day. Every one of the thousands of pilgrims who daily visit ShriKshetraDharmasthala is an honored guest irrespective of caste, creed, culture or status. The "Anna Daana"(free food) is one of the impressive events that takes place in this village. Free food is provided to devotees and the temple has modern machinery and makes quality food continuously throughout the day. The dining hall is known as "Annapoorna".

#### **Vidyadānā**

The SDME trust, ShriKshetraDharmasthalaManjunatheshwara Education Trust, is a co-sponsor to the RUDSETI model, and currently aids 27 RUDSETI Units across the country. ShriKshetraDharmasthala by the SDMCET Society manages a 25 institutions ranging from

primary schools, Gurukula to teach yoga, Sanskrit, and professional courses in Engineering, Medicine, and Dental Sciences in Dharmasthala, Ujire, Mangalore, Udupi, Dharwad, Hassan, Mysore and other places of Karnataka state.

The Siddavanagurukula started by the Late Manjappa Heggade has become a model educational institution. Over 250 students are provided free lodging and boarding and learn yoga, Sanskrit in addition to basic school curriculum. The specialty of this institution is its endeavor to teach values based on Indian Culture.

#### **Aushadadānā**

In the field of health care, the medical trust also provides services to eradicate and prevent many diseases in local villages. The mobile hospital is fully equipped to deal with emergencies and to provide medical treatment to the rural folk in remote parts of the Malnad area. A modern tuberculosis sanatorium was built by Dharmasthala Manjunatheswara Medical Trust to give relief to the patients of tuberculosis. It has since been converted into a general hospital. The Ayurvedic Hospitals at Udupi and Hassan provide Ayurvedic medicines as per the ancient text. The Nature Cure Hospital, built on the banks of the Netravathi River, uses a system based on the five elements of Air, Earth, Ether, Water and Light. SDM Eye Hospital at Mangalore is a modern scientific eye treatment centre. The SDM Dental Hospital serves regular dental needs and provides specialised treatments such as oral implants, surgery for cleft lip and other orthodontic surgeries. Shri Heggade has been actively involved in propagating the practice of Yoga, the ancient system of fitness. Surya Namaskara Camps are regularly organised where Yoga is taught. Further 250 high school teachers are trained in Yoga every year.

#### **Abhaydānā**

It is the commitment to save the lives of all living beings in danger; doing so vanquishes the miseries related to the other world. It relates to the fact that an individual be so empowered that he has no fear.

## The Sponsor Bank

A good bank is not only the financial heart of the community, but also one with an obligation of helping in every possible manner to improve the economic conditions of the common people

Our Beloved Founder

Late Sri Ammembal Subbarao Pai

Canara Bank was established in 1906 by Ammembal Subbarao Pai. He established the Canara Bank Hindu Permanent Fund in Mangalore, India, on 1 July 1906 which collected handful of rice from each household, pooled the rice and sold it and used the money earned for the bank's capital. The government nationalized the bank on 19 July, 1969. Canara Bank established its International Division in 1976 and seventh overseas branch in New York, USA on 10 June 2014.

Over the years, the Bank has been scaling up its market position to emerge as a major Financial Conglomerate with as many as ten subsidiaries/sponsored institutions/joint ventures in India and abroad. Not just in commercial banking, the Bank has also carved a distinctive mark, in various corporate social responsibilities, namely, serving national priorities, promoting rural development, enhancing rural self-employment through several training institutes and spearheading financial inclusion objective. Promoting an inclusive growth strategy, which has been formed as the basic plank of national policy agenda today, is in fact deeply rooted in the Bank's founding principles. "A good bank is not only the financial heart of the community, but also one with an obligation of helping in every possible manner to improve the economic conditions of the common people". These insightful words of our founder continue to resonate even today in serving the society with a purpose. The growth story of Canara Bank in its first century was due, among others, to the continued patronage of its valued customers, stakeholders, committed staff and uncanny leadership ability demonstrated by its leaders at the helm of affairs. We strongly believe that the next century is going to be equally rewarding and eventful not only in service of the nation but also in helping the Bank emerge as a "Preferred Bank" by pursuing global benchmarks in profitability, operational efficiency, asset quality, risk management and expanding the global reach.

#### National Academy of RUDSETI- A benchmark in Capacity Building Training for Trainers

**Background:** National Academy of RUDSETI was established in April 2009 in response to an emerging need for capacity building and mentoring RUDSET Institute and Rural Self Employment Training Institutes being established by different Banks across the country.

**Genesis:** Emergence of Rural Self Employment Training Institutes (RSETIs) across the country by different Banks, called for a credible and capable Institution to support the scaling-up process. Hence, the original promoters of RUDSET Institute proactively decided to set up an apex resource organization to facilitate the growth of RSETIs across the country.

**Vision:** To usher in a wave of self-employment and entrepreneurship among the rural youth of the country through RUDSETI/RSETI model in a vibrant and continuously innovating organizational set up.

**Mission:** Build the capabilities of RSETIs and mentor these organizations to develop into vibrant Institutions of excellence and act as a catalyst for economic and social transformation of rural India.

### **MoU with Ministry of Rural Development(MoRD)for Capacity Building of RSETIs**

Ministry of Rural Development, Govt. of India, after realizing the impact of RUDSETI Training in creation of sustainable livelihood through self employment in Rural areas, took an initiative to replicate and upscale the model and advised all the Banks to establish RSETIs across the country on the model of RUDSET Institute. However, it was felt that the Training programmes and management of the RSETIs were also not up to the standard of RUDSET Institute and there was no uniformity in Training and administrative practices in RSETIs established by different Banks.

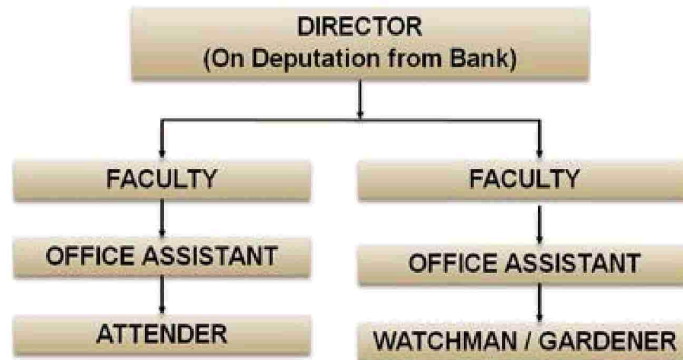

As a result, the desired outcome and benefits of the initiative was not felt. In the above backdrop, Ministry of Rural Development, Govt. of India, approached the President and Management of RUDSET Institute and sought assistance to strengthen the RSETIs and to establish them as model institutes functioning on the lines of RUDSET Institute. It was also desired that some special intervention is required to ensure uniformity in Training and standardized administration in all the RSETIs and also to imbibe the values, culture and ethos of RUDSETI. Hence, a comprehensive package was developed for capacity building and mentoring of RSETIs and an MOU was entered into between the Ministry and National Academy of RUDSETI on 29 July 2011. The above MoU was renewed on 10.07.2014 with effect from 1.08.2014 for a period of one year to begin with and extendable by another two years subject to satisfactory performance.
