RUDSETI – THE REPUTATION:-

Before we begin, it is important to understand our background. It all started in a very small village of Ujire in the year 1982, with the vision of our President Dr D Veerendra Heggade. In the 39 years of journey, it has grown into a reputed Institution of national level spreading its wings across 27 locations in 17 States, having trained more than four lakh trainees, with settlement rate of more than 70%. Numbers apart, it has earned accolades from all those who are associated with Self-employment training and resulted in government emulating the module by way of RSETIs which has grown in to 585 in numbers across the country. Many stalwarts dedicated their life for improving the effectiveness of RUDSETI Training, with continuous improvement in quality, collecting feedback, working on the feedback which has resulted in RUDSETI carving a prestigious place in Self Employment Training. The unique module of Skill development training with inbuilt personality and entrepreneurship development training has made RUDSETI the cynosure of all eyes. Whoever heard, seen and visited.

RUDSETI have lots of praise for the mission, culture and practices of RUDSETI. Most importantly, we must remember that the success of RUDSETI is because it is built with a vision, nurtured with dedication, grown with experience while always breathing quality.

Unemployment is a biggest challenge in our Country. Large number of youths especially in Rural areas across the country are facing unemployment problem .

The ray of hope for unemployed youth which had originated at Dharmasthala, Ujire, Karnataka ,under the blessings of Lord Manjunatha and under the leadership of great visionary Parampoojya Dr D. Veerendran Heggadeji in the form of RUDSETI in the year 1982.

Erstwhile Syndicate Bank ,Canara Bank and SOME trust had jointly sponsored this Rural Development Mission under the guidance of Ministry of Rural Development (MoRD) , Govt of India across the country .

Presently there are 585 RSETIs across the country which is imparting various skill training in 58 NSQF aligned and 5 other approved courses. National Director For RSETIS

National Center for Excellence of RSETIs (NACER)

Under the aegis of Ministry of Rural Development, Govt. of India

I am happy to note that despite all odds of 2020-21, you are coming out with Annual Activity Report of your Rseti. Year 2020-21 was a trying year for the World Globe including India wherein all of us were caught unaware by COVID-19 but all of you struggled hard and rose to the satisfaction of MoRD by surpassing its approved targets for the State of Punjab.

Since independence, India is facing the problem of unemployment, which Dr. Heggade ji tried to tackle through the movement of Rudseti in 1982 which later on in this century was adopted by MoRD and we all along with PSB's became its successful partners. Our training is unique and we not only train but our staff strives hard to see that their trainee ultimately makes his/her livelihood from that vocation.

The annual grading exercise done for the previous year by grading officials of MoRD has once again reflected very good settlement ratio of our trainees in the State of Punjab but still I call upon all staff members that there is lot of scope for further improvement in this area and it is possible with dedication of all of you.

It is worth reporting here that SRLM(Punjab) made all out efforts to clear all the claims and with the available funds pending claims have been cleared upto 31.03.2019.

During this year Rsetis contributed whole-heartedly in achieving State targets of 1BC-1GP and FLCRP's training programmes of MoRD and most of the Rsetis got successful experience of conducting residential trainings for Women trainees for the first time.

All Rsetis of Punjab join with me in expressing our sincere thanks to our National Director Sh.B. C. Saha and team NACER for their untiring support, guidance and co-operation for 24x7x365 days.

I on behalf of all Rsetis place on record the acknowledgment of support of Sponsor Banks, SRLM, KVIC, LDM and Distt. and State Administration for running successfully the wheels of Excel of Rsetis.

Sincere efforts of Director and his team will further strengthen this movement.

With best wishes,

(Harsh Bir Singh)

State Director for RSETIS(Pb)
