“Instead of writing someone else’s account through wage employment after three to five years of collegiate education, it is more meaningful to write one’s own account by embarking upon some self-employment”

From DG's Desk.

I am extremely happy to note that you have brought out with the Report of Activities carried out by your Mysore RUDSETI during the Year 2021-22. It is heartening to note that you have done well even under the difficult situations posed by the Pandemic during the preceding two years.

RUDSETI/ RSETIs are required to widen the coverage of training programmes instead of restricting to a few qualifications and catering to the need of local rural unemployed youths.

It is needless to mention here that there is greater scope available to think of new training programmes under the changed situations in the rural areas.

Settlement and credit linkage being the ultimate objective under of RUDSETI/RSETI concept, it is time to make all out efforts to hand hold the trainees in grounding their projects and to credit link them with the Banks. RUDSETI/RSETI being the bank led organization it should not be difficult to ensure credit support to the viable projects.

Assuring you of all the support in your endeavor to bring the light in the life of the unemployed rural families and in turn build a healthy and financially strong nation.

Wish almighty bless you and your team ALL with the HEALTH and Energy to meet the noble goal of eradication of unemployment problem of the country at large.

Regards

N Sathiyamoorthy

**Message from Bipul Chandra Saha, National Director for RSETIs**

The Financial Year (FY) 2021-22 has also seen the third wave of COVID 19 challenge. Many of our RSETIs were not able to function in a regular manner during the first quarter of the Financial Year 2021-22. In spite of the great challenge imposed by the COVID 19 / Omicron threat all our RSETIs/ RUDSETIs have shown their solidarity towards the objective of RSETIs and perform exceedingly well with regard to number of candidates trained and settled. As on 31.03.2022 there are 589 RSETIs / RUDSETIs (4 new RSETIs are added) covering 571 Districts are functioning across the Country under the aegis of Ministry of Rural Development, Govt. of India which are sponsored by 24 Banks. All these RSETIs/ RUDSETIs are providing training

to the Rural Poor on 59 NSQF aligned courses and 5 MoRD approved courses. As against the annual revised Target of 3.01 lakhs candidates RSETIs have trained 3.14 lakhs candidates (Achievement being 104%). Out of the above total number of Rural Poor trained is 2.82 lakhs (90%). Out of total rural poor trained 2.20 lakhs have settled (78%) and out of the rural poor settled total 1.25 Lakhs have been credit linked (59%). I convey my sincere thanks to the Directors of RSETIs and Faculties and Office Assistants (OAs) for their relentless support which has made this achievement possible.

Further, we have done a notable improvement in reconciliation and realization of pending claims during the FY 2021-22 because of collective efforts of RSETIs and RSETI sponsoring Banks along with the deep involvement of State Directors (SDRs) who have made huge efforts to reconcile the data with SRLMs and subsequent release of Funds. In the coming days we propose to maintain the year wise position of Claims submitted, Claims rejected, Claims received and pending position in excel sheet on monthly basis at RSETIs to enable us to smoothening the claim settlement process.

We had also worked for improving the Quality of training by conducting ToT programmes in various States for engaging the Domain Skill Trainers (DSTs) so that the shortage of Certified Trainers is fulfilled for ensuring quality training. In this regard, I must acknowledge the huge contribution of State Controllers of RSETIs (SCRs) and SDRs for conducting the ToT programmes in their respective States. In coming days we also propose to conduct such programmes in many states to fill the gap of certified trainers in various sectors. In this regard, we wish to highlight that there was a substantial improvement in Grading and CNN compliance position of RSETIs/ RUDSETIs in comparison to previous years. There are 541 AA Graded RSETIs and 537 CNN complied RSETIs. Definitely this credit also goes to the RSETI Directors, Faculties, OAs and SDRs.

I am happy to learn that your RSETI is going to publish Annual Activity Report for the FY 2021-22. On this occasion I want to congratulate the Director, Faculties & other staff members and convey my sincere thanks to all your Staff for your performance during the FY 2021-22. I am confident that your RSETI will excel in the FY 2022-23 under various performance parameters including Credit Linkage and Settlement.

Simultaneously, I take this opportunity to thank respected Sri Amit Kataria, IAS, Joint Secretary and Sri Virendra Sharma, Director, Ministry of Rural Development, Dr. D. Veerendra Heggade, President NAR, Ms. A Manimekhlai, Executive Director, Canara Bank, Sri A Muralikrishna, GM, FI Wing, Sri Amitava Sahu, DGM and Team of FI Wing of Canara Bank, HO Bengaluru and Nodal Executives of all RSETI sponsoring Banks for their full support which has enabled us to show outstanding performance for the FY 2021-22.

At the end I advise all RSETIs/ RUDSETIs to conduct training programmes back to back without giving even a single day gap to ensure maximum number of candidates trained with regular attendance through AEBAS and also to ensure vigorous follow-up for improving the Credit Linkage and Settlement in the FY 2022-23.

Wishing you all the best
