Message from Bipul Chandra Saha, National Director for RSETIs

The Financial Year (FY) 2021-22 has also seen the third wave of COVID 19 challenge. Many of our RSETIs were not able to function in a regular manner during the first quarter of the Financial Year 2021-22. Inspite of the great challenge imposed by the COVID 19 / Omicron threat all our RSETIs/ RUDSETIs have shown their solidarity towards the objective of RSETIs and perform exceedingly well with regard to number of candidates trained and settled. As on 31.03.2022 there are 589 RSETIs / RUDSETIs (4 new RSETIs are added) covering 571 Districts are functioning across the Country under the aegis of Ministry of Rural Development, Govt. of India which are sponsored by 24 Banks. All these RSETIs/ RUDSETIs are providing training to the Rural Poor on 59 NSQF aligned courses and 5 MoRD approved courses. As against the annual revised Target of 3.01 lakhs candidates RSETIs have trained 3.14 lakhs candidates (Achievement being 104%). Out of the above total number of Rural Poor trained is 2.82 lakhs (90%). Out of total rural poor trained 2.20 lakhs have settled (78%) and out of the rural poor settled total 1.25 Lakhs have been credit linked (59%). I convey my sincere thanks to the Directors of RSETIs and Faculties and Office Assistants (OAs) for their relentless support which has made this achievement possible.

Further, we have done a notable improvement in reconciliation and realization of pending claims during the FY 2021-22 because of collective efforts of RSETIs and RSETI sponsoring Banks along with the deep involvement of State Directors (SDRs) who have made huge efforts to reconcile the data with SRLMs and subsequent release of Funds. In the coming days we propose to maintain the year wise position of Claims submitted, Claims rejected, Claims received and pending position in excel sheet on monthly basis at RSETIs to enable us to smoothening the claim settlement process.

We had also worked for improving the Quality of training by conducting ToT programmes in various States for engaging the Domain Skill Trainers (DSTs) so that the shortage of Certified Trainers is fulfilled for ensuring quality training. In this regard, I must acknowledge the huge contribution of State Controllers of RSETIs (SCRs) and SDRs for conducting the ToT programmes in their respective States. In coming days we also propose to conduct such programmes in many states to fill the gap of certified trainers in various sectors. In this regard, we wish to highlight that there was a substantial improvement in Grading and CNN compliance position of RSETIs/ RUDSETIs in comparison to previous years. There are 541 AA Graded RSETIs and 537 CNN complied RSETIs. Definitely this credit also goes to the RSETI Directors, Faculties, OAs and SDRs.

I am happy to learn that your RSETI is going to publish Annual Activity Report for the FY 2021-22. On this occasion I want to congratulate the Director, Faculties & other staff members and convey my sincere thanks to all your Staff for your performance during the FY 2021-22. I am confident that your RSETI will excel in the FY 2022-23 under various performance parameters including Credit Linkage and Settlement.

Simultaneously, I take this opportunity to thank respected Sri Amit Kataria, IAS, Joint Secretary and Sri Virendra Sharma, Director, Ministry of Rural Development, Dr. D. Veerendra Heggade, President NAR, Ms. A Manimekhlai, Executive Director, Canara Bank, Sri A Muralikrishna, GM , FI Wing, Sri Amitava Sahu, DGM and Team of FI Wing of Canara Bank, HO Bengaluru and Nodal Executives of all RSETI sponsoring Banks for their full support which has enabled us to show outstanding performance for the FY 2021-22.

At the end I advise all RSETIs/ RUDSETIs to conduct training programmes back to back without giving even a single day gap to ensure maximum number of candidates trained with regular attendance through AEBAS and also to ensure vigorous follow-up for improving the Credit Linkage and Settlement in the FY 2022-23.

Wishing you all the best

With best regards,

Bipul Chandra Saha

National Director for RSETIs

PREFACE

As enshrined in our Constitution and directive principles of the state policy, our country has been following a welfare state policy since 1947. Over the years, with the main objective of alleviation of rural poverty, country has launched number of flagship programmes. Though the fact remains that our country is developing economy much more required to be accomplished to generate more employment opportunities enabling large number of people to take part in the growth benefits and involve in the growth process.

In our country labour force is expected to grow around 2% a year over the next few years. Sustainable solution for alleviation of rural poverty is to provide employment avenues that will increase productivity leading better-quality life through economic self-sufficiency.

On this backdrop, in 1982 Dr. D. Virendra Heggade, a visionary, established Rural Development and Self Employment Training Institute at Ujire in Udupi district of Karnataka. Success of the RUSSET Institute initiative proved motivating force resulting in establishments of more than 27 RUDSETIs in 17 states. Our Talegaon Dabhade institute is one among these RUDSETIs, which commence training activities in the year 1998-99. Since then, Talegaon Dabhade institute has trained youths for gainful employment in different types of self-employment training courses.

During year under report our institute has been successful in organizing few innovative training programmes to suit the changing demography of the society. Our main thrust was on training rural poor youth, more particularly women section of the society imparting training to women beneficiaries through programmes. In the process, we also went too far-flung areas of the western ghat region to train youths from tribal communities.

Despite continued onslaught of Covid-19 pandemic during larger part of the year, we are glad to present this Annual Activity Report for the year 2021-22.

We continuously look forward to suggestions from NAR, Central Secretariat and sponsor bank executives for unabated improvements in our activities.
