ACKNOWLEDGEMENT

“The only way that we can live is if we grow. The only way we can grow is if we change. The only way we can change is if we learn. The only way we can learn is if we are exposed. And the only way that we are exposed is if we throw ourselves into the open”

Message from President

A humble beginning made through self-employment training during 1982 at UJIRE, has now become a National Movement and the need for the same is being realized at all levels.

I congratulate RUDSETIs, for its continued role in this field and being a leader who started the Movement, it has the added responsibility of being a model for all the players in this challenging task. The success and results speak about the prominent role played by RUDSETIs in the development of not only unemployed youth but also the Nation.

I am happy to note that, the magic of RUDSETIs continues to weave its web across the Nation even during COVID.

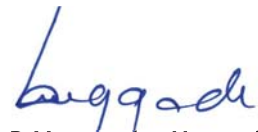

RUDSETIs has performed extremely well, and surpassed all the targets set for 2020-2021, even though economic activities were severely impacted in COVID-19. RUDSETIs known for social concern and commitment, have distributed more than 4 lakhs face masks, food packets, vegetables, groceries free of cost to the public during COVID-19.

Small towns and rural areas which were not affected by COVID last year, during the Second wave, it has spilt over these areas affecting employment opportunities. I called upon the RUDSETIs to seize the opportunity and act as torch bearers in harnessing the potential of people by designing new training programmes to suit the local needs and to maintain highest reputation.

Big success merely does not mean big monetary benefits. Even a small change in satisfaction, security, attitude and earning power of entrepreneurs will have a great impact on their level of living. I urge the RUDSETIs to leave an indelible mark in the minds of youth by doing good work with in the specified time.

I wish you all the very best to the new challenging Year 2021-2022.

May Lord Manjunatha Swamy bless you and your family.

Message from Executive Director

Message from Executive Director

I am indeed very much happy to release our Annual Activities Report of 2020-21. This year has been another successful year in training the youth, crossing all the set targets by our Sponsors and Ministry during pandemic without compromising our quality.

The post COVID-19 situation is really a challenge wherein our committed Directors who were deputed from the Bank and all the Staff members really worked hard in one or the other way to fulfill the expectations of our Sponsors.

Being a model Institute under the Visionary leadership of **Dr D Veerendra Heggade**, President of RUDSET Institutes and continued guidance from Canara Bank always instinct us to walk an extra mile and sustain our visibility at par. Our existence during the year noted in many ways in terms of contribution to the society and needy wholeheartedly.

Identifying new innovative business ideas is the need of the hour in the present COVID-19. The Financial year 2021-22 has to come out with ingenious ideas according to the changed scenario. Here onwards we have to play our role quite differently.

We at RUDSETI are always privileged to be guided and boosted with energy by the Divine blessings of our beloved President **Dr D Veerendra Heggadeji**, due to which we are playing our role with utmost capacity. I with all hopes and confidence, call upon our Directors and Staff to continue to contribute their 100% as they are doing earlier.

Once again we wish to acknowledge the huge contribution of all the team members and we hope the forthcoming Financial year 2021-22 will come out with lots of development as far as training is concerned. Think differently and be a change maker by following all the laid down norms. It's a great platform to learn and serve the Nation.

HIGHLIGHTS OF PERFORMANCE DURING 2020-21

- A Brief Report

The Board of Governors and Governing Council members of RUDSETI take great pleasure in presenting the Activities Report on the working of all the units of RUDSETI Institutes during the year 2020-21. The significant contribution of RUDSETI in the entrepreneurial movement, propelling the youth to self reliance, has indeed helped thousands of youth on the path of prosperity and identity.

We are happy to note that given the circumstances like sudden cancellation of trainings and no movement of staff has although hampered regular activities, but it was possible to undertake follow up and other related duties. Despite of the odds, the performance of our Institutes is good.

During the year, RUDSETIs have conducted new training programmes to benefit the vulnerable sections of the society. Prominent among them are training programmes to Jail Inmates and Differently Abled People.

Due to spread of pandemic COVID -19, few Institutes postponed/cancelled training programmes on Government instructions. RUDSETIs known for social concern and commitment, did not rest inspite of the lockdown. All our RUDSETIs were involved in social activities and motivated trainees to stitch and distribute masks to the needy people. We are happy to inform that more than 4 lakh masks were stitched and distributed for free to the public and 2 lakh masks were sold on a nominal price ranging from Rs 5/- to Rs 10/- to recover the bare minimum cost of the material. Trainees and Staff also distributed free vegetables to more than 5000 families, groceries and food packets to more than 2000 family members. Others distributed hand wash materials to the needy people. Institutes also engaged in taking online classes to trainees and enquired about their progress and kept them motivated. Few trainees developed automatic Sanitizers and Personal Protective Equipment kit etc.
