MESSAGE FROM PRESIDENT

Sri Kshethra Dharmasthala is well known for four conspicuous identities viz. “Anna Daana, Abhaya Daana, Vidya Daana and Aushadha Daana”. As a part of an initiative under the ‘Abhaya Daana’, a humble beginning was made in the year 1982 at Ujire to establish Rural Development and Self Employment Training (RUDSET) Institute. With completion of 40 successful years of training the unemployed youth, RUDSETI has become a National movement bringing light in the lives of thousands of youth and their families, which will go a long way in its contribution to Nation building.

I compliment and congratulate all the stake holders across the country who have been a part of this noble cause and contributed whole heartedly for its growth and spread across the length and breadth of the country.

As a dynamic organisation, RUDSET Institute is updating its requirements to suit the growing needs. I call upon all members of the RUDSETI family to work as a committed team with dedication, discipline, active involvement and find new ways to further ignite the passion for entrepreneurship development.

I pray Lord Manjunatha Swamy to be with you in this great journey in the service of the Nation.

Dr D Veerendra Heggade
President, RUDSET Institutes

MESSAGE FROM EXECUTIVE DIRECTOR

I am delighted to present the glimpse of the activities conducted by the RUDSET Institutes during the year 2021-22.

The RUDSETI movement has completed four decades. Drawing inspiration from **Dr D Veerendra Heggade**, the Ministry of Rural Development (MoRD), Government of India took the initiative in 2007-08 in spearheading this movement across the country.

During the last few years, the movement has witnessed many major challenges. Various guidelines issued by MoRD/NACER/SRLM have to be kept in mind while formulating our strategies in conducting the NSQF aligned training programmes. We need to have focussed attention while complying with the requirements of MIS portal, Annual Grading Process, Common Norms Notification, Batch wise Assessment Exercise etc. Another challenge faced by all Institutes is timely settlement and reimbursement of Rural Poor Claims. We need to fact check and ensure error free submission of claims to SRLMs.

Coinciding with the celebration of 40 years of RUDSETI movement, **Dr D Veerendra Heggade** has been nominated to Rajyasabha as an Honourable Member of Parliament in recognition of his contributions and services in the field of education, culture, health care, removal of social ills, rural development and self-employment. It is a proud moment for all members of RUDSETI family. In honour of our beloved President **Dr D Veerendra Heggade**, we, all members of the RUDSETI family shall rededicate ourselves with sincere commitment to carry forward his vision of transforming the lives of unemployed youth of India by enabling them to embark on own business ventures.
