MOTIVATIONAL QUOTES TO INSPIRE YOU TO BE SUCCESSFUL

Successful people don't become that way overnight. What most people see at a glance-happiness, wealth, a great career, purpose-is the result of hard work and hustle over time.

To be successful, one has to use each day as an opportunity to improve, to be better, to get a little bit closer to goals. It might sound like a lot of work and with a busy schedule, next to impossible. But the best part is, the more one accomplishes, the more he/she will want to do, the higher he/she will want to reach. So as long as one has the hunger for success, he/she will always have the power within them to achieve it.

Using the ambition, drive and desire along with these motivational quotes will make it happen.

- ▶ Your limitation—it's only your imagination.
- ▶ Push yourself, because no one else is going to do it for you.
- ▶ Sometimes later becomes never. Do it now.
- ▶ Great things never come from comfort zones.
- ▶ Dream it. Wish it. Do it.
- ▶ Success doesn't just find you. You have to go out and get it.
- ▶ The harder you work for something, the greater you'll feel when you achieve it.
- ▶ Dream bigger. Do bigger.
- ▶ Don't stop when you're tired. Stop when you're done.
- ▶ Wake up with determination. Go to bed with satisfaction.
- ▶ Do something today that your future self will thank you for.
- ▶ Little things make big days.
- ▶ It's going to be hard, but hard does not mean impossible.
- ▶ Don't wait for opportunity. Create it.
- ▶ Sometimes we're tested not to show our weaknesses, but to discover our strengths.
- ▶ The key to success is to focus on goals, not obstacles.
- ▶ Dream it. Believe it. Build it.
