MESSAGE FROM PRESIDENT

Since commencement of its humble journey in 1982 partnering with the then Syndicate Bank and Canara Bank, the RUDSETI movement has traversed more than four decades in its contribution to Nation building bringing light in the lives of thousands of youth and their families. It is noteworthy that all 27 RUDSETI Institutes have exhibited good performance during 2023-24 surpassing the major parameters.

RSETI 1.0 was launched PAN INDIA in 2007-08 as replication of RUDSETI model by Ministry of Rural Development (MoRD), Government of India, New Delhi which has now completed 16 years. RSETI 2.0 is ready for roll out by MoRD which aims to revamp the entire RSETI eco-system, thus bringing a total paradigm shift in the RSETI movement.

I compliment and congratulate all the stakeholders across the country who have been a part of this noble cause and contributed whole heartedly for its growth and reach across the length and breadth of the country. I am also happy to note the significant steps taken by the MoRD/SRLM in addressing the long pending rural BPL claims.

During 2024-25, the trainee targets are challenging. As a dynamic organisation, RUDSETI Institute is updating its requirements to suit the growing needs. I am happy to note that most of the RUDSETI Institutes have embarked on Annual Action Plan: 2024-25 in March 2024 itself. Ultimately, all these efforts should culminate in meeting the skill training requirements of the needy youth of the Nation.

I call upon all members of the RUDSETI family to work as a committed team with dedication, discipline, active involvement and find new ways to further ignite the passion for entrepreneurship development.

I pray Lord Manjunatha Swamy to bestow his blessings on you in this great journey in the service of the Nation.

Dr D Veerendra Heggade
President, RUDSETI Institutes

MESSAGE FROM EXECUTIVE DIRECTOR

I am delighted to present the glimpse of the training activities conducted during the year 2023-24 by all the 27 RUDSET Institutes located in 17 states across India i.e., from Gujarat to Assam/Tripura and Punjab to Kerala.

All RUDSET Institutes have achieved the individual trainee target along with the stipulated settlement and credit linkage parameters. The Institutes are in readiness to comply the Common Norms Notification and other important parameters during Annual Grading Exercise by MoRD/NACER.

The eco system in RSETI 1.0 was consolidated during the last 16 years with value additions like Annual Grading, Common Norms Notification etc. The comprehensive trainee assessment system in RSETIs developed under the guidance of National Council for Vocational Training and Education (NCVTE) has brought a visible recognition for RSETI training programmes under the new education policy.

We place on record our gratitude to MoRD/SRLM/NACER for their coordinated efforts in the release of long pending rural BPL claims.

As per the modus operandi planned for launching of AAP 2024-25 with challenging targets under various parameters, most of the RUDSET Institutes have commenced training programmes during first/second/third week of March 2024, so that they are completed in April 2024 exhibiting good progress during first month of the year itself. This will set up a momentum for continuous conduct of training programs throughout the year, which makes the efforts to achieve the challenging targets set by MoRD/NACER more meaningful and realistic.

RUDSET Institutes have a conspicuous identity among the 595 RSETIs established PAN INDIA under the aegis of MoRD. RUDSETIs have been sharing their expertise with other stakeholders in the movement. We shall continue with sincere commitment to carry forward the vision of our beloved President **Dr D Veerendra Heggade** in meeting the aspirations of unemployed youth of India.

The Annual Staff Conference of RUDSETI Institute for the year 2023 was held at “Sri Sannidhi”, Dharmasthala from 14th to 15th September 2023. The Conference was inaugurated by **Dr D Veerendra Heggade**, President, RUDSETI Institutes, Dharmasthala.

Dr Heggade, in his inaugural address said that RUDSETI was started thinking of creating job opportunities

initially. Now, RUDSETIs are able to extensively promote self-employment and economic empowerment of the unemployed across the country. The youth, who have undergone training at RUDSETIs, have immensely been contributing to the development of nation through self-sustained life with the help of financial assistance from Banks. According to the needs of the present competitive world, suitable short duration training is given to the youth.

There is no limit for success. The Directors should become practical oriented trainers, do good work

and carry forward it to maintain the standards set by their predecessors. Transformation is inevitable to any organization. Immaterial of the age, one needs to undergo transformation to be in the race. It is a positive sign that graduate and post graduates are also coming forward and interested in taking up self-employment ventures. State and Central Governments are extending holistic support to the Institutes by providing land and funding for construction of building. RUDSETIs are big brother to RSETIs. Hence, there is always pressure on RUDSETIs to perform better in the coming days, he remarked.

Shri B Sudhakar Kotary, General Manager, Canara Bank, Circle Office, Mangaluru in his key note address said God has given opportunity to serve in RUDSETI. A small idea started in 1982 has become a big banyan tree and spread across entire country. RUDSETI movement has traversed more than four decades in its contribution to Nation building bringing light in the lives of thousands of youth and their families. RUDSETIs have been sharing their expertise with other stakeholders in the movement. As MoRD is in readiness to roll out RSETI 2.0 to revamp the entire RSETI eco-system, we have to accept the challenges and shoulder the responsibility to meet their expectations.

Shri H Raghu Raja, Director General, National Academy of RUDSETI (NAR), Bengaluru said that the success of RUDSETI model was appreciated by the Government of India, accepted it as a replicable model and as a result, RSETIs were opened in each district of the country imparting training and creating employment opportunities

to lakhs of people. He highlighted the concept of RSETI 2.0 in terms of incentives for mobilisation of candidates, designing of new courses based on training needs of population, conducting impact assessment of training programmes, developing training learning methods, e learning content development, conducting case study of RSETIs and entrepreneurs following best practices and incentives for hand holding, settlement and credit linkage. Exponent employment generation in RUDSETI is invaluable, he concluded.

Working as a team will always beat individual barriers, he concluded.

After tea break, review of the performance of institutes continued.

September 15, 2023: 2nd Day

Shri Rajesh Ranjan Singh, National Controller, Assessment & Quality Assurance, National Academy of RUDSETI, Bengaluru made a power point presentation in detail about the need for introduction of RSETI 2.0 & Assessment. The NSQF aligned courses are mono skilling in nature. A trainee will get only one training at a time. In order to meet the change in market dynamics, diversification of rural economy and preferences of customers, it is essential to have knowledge of more than one skill. RSETI 2.0 will take care of quality of training programmes. Assessment and

Certification was introduced to ensure uniform quality of training programmes among RSETIs. Assessment and Certification is challenging and rewarding, he concluded.

After tea break, **Shri Nataraj S E**, Director, National Centre for Excellence of RSETIs, Bengaluru made power point presentation on the performance of RUDSET Institutes, Grading and CNN. He clarified the doubts raised by the participants.

Thereafter, review of the performance of Institutes continued.

There is no limit for growth. Creative mind, hard work and curiosity make a person to become a top performer. Since RUDSETIs are big brother to RSETIs, their activities are watched by all. Opportunities are created for unemployed youth to take up self-employment. God has given golden opportunity to serve in RUDSETI to change the life styles of poor people. Directors and Faculties have a great role to play as they are motivating the unemployed youth who are struggling to come up in their life. He called upon the participants to rededicate themselves to the cause of self-employment.

Shri Rajesh Ranjan Singh, National Controller, Assessment & Quality Assurance, National Academy of RUDSETI, Bengaluru said that RUDSETI has been a leader and there is a challenge to retain the position of the leader. For

betterment of society and people, RUDSETIs have to continue to play the role of leaders. RUDSETI has got good well equipped infrastructure facilities as compared to other RSETIs. RUDSETI team has reputational spirit and that inspires RUDSETI to continue the good work, he opined.

Shri Nataraj S E, Director, National Centre for Excellence of RSETIs, Bengaluru said that RUDSETI is reaching the target set by MoRD exceedingly well as it is personally monitored by Dr Heggadeji. RUDSETIs have to play an important role in promoting self-employment opportunities to the needy people.
